

Milwaukee County CCS Program

Recovery Advisory Committee Meeting Agenda

May 9, 2019
2:00 – 4:00PM

Meeting is at:

LOCATION: 1527 W. National Ave. Room 3R- (enter through the lobby on National)

- I. Introductions: Welcome
 - a. Introduction and voting in of new members
- II. Review and Approval of Minutes from Last RAC meeting- Mins reviewed. Not able to approve at this time.
- III. CCS Programmatic Recommendations and Feedback
 - a. Current CCS enrollment numbers- 1,045 adults, 203 youth
 - b. Quality Measures Review- CARS Research and Evaluation team in attendance to provide overview of CCS metrics. See attached. Discussion had around the measurement of recovery and Recovery Advisory Committee's thoughts around how you measure individualized success in recovery. Recovery Plan training/pilot reviewed with the RAC related to incorporating the use of the WI Recovery Thermometer in the service planning process and support of consumers in prioritizing 1-2 items that they would like to focus on during the recovery plan period. Care coordinators would then support consumers in selecting services and setting objectives that will best support them in improving the items they selected.
 - c. Ancillary Network Update- exploring the potential of designing a specialized hoarding program via CCS.
 - d. Outreach activities and efforts- Outreach efforts to access points on the adult side increase enrollment into CCS for individuals with primary substance use disorders.
 - e. Policies and procedures- No policies to review at this time.
 - f. Subcommittee reports

- i. Bylaws- no updates.
- ii. Consumer Orientation- no updates.
- iii. Newsletter- no updates.
