MKE MOBILE CRISIS

MENTAL HEALTH SUPPORT: ANYONE, ANYWHERE, ANY TIME

MILWAUKEE MOBILE CRISIS

Meeting you wherever you are regardless of your age

Milwaukee County Behavioral Health Services' adult Crisis Mobile Team is merging services with Children's Mobile Crisis Team to form one program, rebranded as Milwaukee (MKE) Mobile Crisis. Previously, these separate mobile teams were contacted through different crisis lines depending on the age of the individual needing services. The merger into one comprehensive program delivers easier access to care for adults, youth and families by providing community members with one crisis number to call for mental health support regardless of age.

Individuals and family members of any age facing a mental health or co-occurring crisis can call 414-257-7222 to reach Milwaukee Mobile Crisis 24/7. Mobile Crisis Clinicians may be dispatched anywhere within the community seven days a week to provide services such as:

- In-person assessment
- Stabilization
- Connections to additional services
- Appropriate follow-up
