# NARCAN TRAINING

Stay **informed.**

Stay **ready.**

**Save a life.**

We need **YOUR** help to save lives. Learn how to respond and safely use Narcan (naloxone) to reverse an overdose caused by using heroin or other opioids. Each person will receive information & a Narcan kit to take home. Presentation is limited to 30 participants, registration is required.

*Attendees at this training will be entered into a raffle to win a \$25 gift certificate!*
