

Program Benefits

- Every individual who participates in CCS works with a Care Coordinator to design a wellness plan that is intended to help build the skills needed to improve health, promote wellness, attain personal goals and enhance overall quality of life.
- Individuals who enroll will have a functional screen completed annually to determine eligibility. CCS can be a lifetime benefit through Medicaid if the individual remains eligible.
- When eligible, individuals can be dually enrolled in CCS and Children's Long-Term Services (CLTS) Waiver Program. CCS is the primary program and CCS services will be considered first.
