

Resources for Social-Emotional and Mental Health Concerns for Children and Their Families

Resources for Mental Health Concerns:

WellBadger Resource Center: WellBadger Resource Center is your one-stop connection to community, social, health, and government programs — a place to find what you need, when you need it. Click this link for a list of mental health & substance use disorder resources: https://www.wellbadger.org/s/mental-health-and-substance-use-disorder?language=en_US

211 Wisconsin: A connection to local resources and agencies, 211 Wisconsin provides referrals to a variety of services available right in your area. Here is a link to a list of mental health resources: <https://211wisconsin.communityos.org/mentalhealthguidedsearch>

Milwaukee Coalition For Children's Mental Health: This organization focuses on helping families and communities attain optimal mental health for their children. Here is a link to a guide to Milwaukee area mental health resources: <https://www.mkekids.org/resources/milwaukee-mental-health-resources.html>

Children's Mental Health Programs:

Children's Wisconsin: Children's Wisconsin is the region's only independent healthcare system dedicated solely to the health and well-being of children in Milwaukee and throughout the state. Follow this link to a list of parent resources on mental health: <https://childrenswi.org/medical-care/psychiatry-and-behavioral-medicine/mental-health>

Next Step Clinic: Next Step Clinic works to ensure that every child and family in Milwaukee has access to an expert that can identify whether they could benefit from extra services, with a focus on identifying challenges early in life. Learn more at: <https://www.marquette.edu/psychology/marquette-next-step-clinic.php>

Wraparound Milwaukee: Wraparound Milwaukee is a unique system of care for children with serious emotional, behavioral, and mental health needs, and for their families. The organization is a National Best Practice Leader in the Wraparound Philosophy and Approach focusing on strength-based, individualized care. **Learn more at:** <https://county.milwaukee.gov/EN/DHHS/BHD/Childrens-Services>

Penfield Children's Center Behavior Clinic: Penfield Children's Center helps children reach age-appropriate milestones, enter school ready to learn and overcome developmental challenges. Find out more about available resources at: <https://penfieldchildren.org/programs-services/>
