WITNESS THAT:

WHEREAS, Purchaser is a governmental subunit of Milwaukee County managing and providing mental health, substance abuse and/or health and social services.

WHEREAS, Purchaser also arranges for the provision and purchase of such services from Mental Health and Health and Social Services Providers for adults, children and families in Milwaukee County-operated programs or programs managed by Purchaser; and

WHEREAS, Contractor desires to provide such services for Purchaser.

NOW, THEREFORE, in consideration of the mutual promises herein stated, it is agreed by and between the parties that the Contractor shall provide the services at the rates set forth in the attachment identified as “Attachment I – Schedule of Services to be Purchased” and that said services will cover the following duties and obligations.

1. **SCOPE OF WORK**

Contractor shall specifically perform all of the services and achieve the objectives as set forth in its application submitted to County, and as indicated in the Attachment I, Schedule of Services to be Purchased including those mentioned on Statement of Work or Scope of Work attachment(s). It is understood that services may be added and/or removed throughout the duration of the contract and the notification of changes will come via an emailed letter from County. The Milwaukee County Department of Health and Human Services Year 2020 Purchase of Service Guidelines - Program and Technical Requirements, the provisions of Contractor’s proposal, and the Milwaukee County Department of Health and Human Services Administrative Probation Policy for Noncompliance with Contract and Fee-for-Service
Requirements, are incorporated herein by reference and made a part of this Contract as if physically attached hereto and Contractor shall comply therewith.

2. **DATES OF PERFORMANCE**

This Contract is for the period of January 1, 2020 through December 31, 2020 and may be renewed or extended for up to three additional one year options by written notification, by the County, via U.S. mail or email, thirty (30) days prior to expiration of the then current contract term, on terms and conditions as mutually agreed upon by all parties. Contract renewal(s) as permitted, beyond the initial term, shall be contingent upon appropriation of the necessary funds and may only be exercised by written notification by Purchaser to Contractor.

3. **CONTRACTOR/PROVIDER OBLIGATIONS**

Provider/Contractor is required to comply with Provider Obligations per DHHS Contractor/Provider Obligations Policy No. 005 (policy can be found at: https://county.milwaukee.gov/EN/DHHS/Provider-Portal).

4. **COMPENSATION**

Payment for services under this Contract will be made upon presentation of a written, itemized and verified statement upon such forms and in such detail as may be required by County.

Programs may be paid with a Performance Based reimbursement system having a separate requirement for submittal of specific evaluation measures to which incentives are linked (at an interval to be determined by DHHS), along with the annual evaluation requirement for all measures. In such cases Provider may not be paid for the incentive or part of the contract based on performance measures until those measures are met to the satisfaction of Purchaser.

- Basis for payments: This is a cost reimbursement contract. Contractor shall be compensated for the services performed as stated in Attachment 1,
- Schedule of Services and Attachment 2 Payment Method and/or Attachment A if applicable (Scope of Work), and
- Attachment 2, Payment Method, attached hereto and made a part of this Contract.

Final settlement of the Contract will be based on the County review of annual independent audit. (See Section 8. “Audit Requirements”). If County has waived the audit requirement under Wisconsin Statutes s.46.036 for this Contract, Contractor shall submit an un-audited schedule of program revenue and expenses as a final accounting to determine final settlement under this Contract.

Milwaukee County may not compensate Contractor for service(s) provided by a Direct Service Provider/caregiver prior to having obtained a caregiver background check and Purchaser’s approval for said provider as provided for in this Contract.

Milwaukee County will not compensate any Contractor for services rendered by a provider whose credentials are not in conformity with the requirements of both the State of Wisconsin and Milwaukee County, as administered by the Department of Health and Human Services and
its respective divisions, and to which Contractor shall so conform throughout the term of this Agreement.

Contractor recognizes that the total service needs of the community may not be met and shall furnish the services within the specific levels stated in the Attachment 1. County is unable to guarantee the volume of requests funded by this Contract. If Contractor requires pre-authorization of service(s), under no circumstances shall Contractor provide, nor shall Purchaser compensate, for services provided to Service Recipients for which Provider has not received prior-authorized by Purchaser. Prior Authorization shall follow Purchaser Policies and Procedures, and shall consist, minimally, of electronic or written documentation indicating the name of the Service Recipient, the quantity and type of services being authorized, and the period for which the authorization is valid. The parties agree that section 66.0135, Wisconsin Statutes, Prompt Pay Law, shall not apply to payment for services provided hereunder.

Pursuant to Wis. Stat. §§ .46.036(5m) and .49.34(5m), as affected by 1993 Wisconsin Act 380 and 2017 Wisconsin Act 59, and subject to the limitations and conditions set forth therein, Contractor may retain a surplus on programs funded by the state Department of Health Services (DHS), Department of Work Force Development (DWD), Department of Children & Families (DCF), and Department of Corrections (DOC) when revenue exceeds allowable expenses. Under 1993 Act 380, Contractor may retain a surplus which may be created if the amount paid by County for rate-based services under this contract exceeds the allowable costs attributable to those services as determined by the Wisconsin Department of Health Services (DHS) Allowable Cost Policy Manual, Wisconsin Department of Children and Families Allowable Cost Policy manual and the Wisconsin Provider Agency Audit Guide, 1999 revision issued by WI Department of Corrections and Workforce Development or Department of Health Service Audit Guide (DHSAG), Latest Revision issued by Wisconsin Department of Health Services.

The statutes allow a surplus when the agency is a non-profit, non-stock corporation organized under Wis. Stat. Ch. 181 and the agency provides client services on the basis of a unit rate per unit of client service (Units-times-price agreements). Provider can retain from surplus up to 5% of the revenue received under the contract unless a uniform rate is established by rule under Wis. Stat. §46.036(5m)(b)(4), in which case the contract shall allow the provider to retain the uniform percentage rate established by the rule.

Wisconsin Stat. §46.036(3c) indicates that Contracts for proprietary (for-profit) agencies may include a percentage add-on for profit according to the rules promulgated by the Wisconsin Department of Health Services (DHS). The profit and reserve are limited by expenditures on allowable costs that the Contractor incurs in performing the services purchased under this Contract. BHD may set the maximum allowable profit at a level less than the percentage add-on for profit according to the rules promulgated by the Wisconsin Department of Health Services (DHS).

The maximum allowable profit for profit Contractors under contract is 5%. Contractor is not allowed to retain both a Surplus and a profit on the same contract/agreement for the same period.

Allowable costs, profit, and reserve are defined in the Wisconsin Department of Health Services Allowable Cost Policy Manual and available online at:

and Wisconsin Department of Children and Families Allowable Cost Policy is available online at:

All Milwaukee County Department of Health and Human Services Purchase of Service contracts, regardless of payment method, are ultimately cost reimbursement contracts, as defined by Wis. Stat. §46.036. Reimbursable costs, also referred to as allowable costs, are defined by federal regulation, Wisconsin statute and regulation, and contract terms between the Contractor and Purchaser.

For each kind of Contractor (i.e., non-profit, for profit), there is a set of federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of Uniform Grant Guidance under part 200. The allow ability for costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals. The allow ability of costs incurred by commercial organizations and those non-profit organizations listed in Uniform Grant Guidance under part 200 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR Part 31 - Contract Cost Principles and Procedures.

Allowable Costs are also governed by Wisconsin statute and regulation. Those rules are found in the Wisconsin Department of Health Services (DHS) Allowable Cost Policy Manual, Wisconsin Department of Children and Families Allowable Cost Policy, the Wisconsin DHS Provider Agency Audit Guide, 1999 revision issued by WI Department of Corrections and Workforce Development or Department of Health Services Audit Guide (DHSAG), Latest Revision issued by the Wisconsin Department of Health Services, and Wis. Stat. §46.036.

In addition, Milwaukee County Purchase of Service contracts limit allow ability of costs. The Milwaukee County Department of Health and Human Services Year 2020 Purchase of Service Guidelines - Program and Technical Requirements, and Contractor’s Year 2020 application with all required submission including final approved budget are incorporated herein by reference and made a part of this Contract as if physically attached hereto and Contractor shall comply therewith. Those costs that are allowable under the federal and Wisconsin rules and regulations, but which exceed the individual budget line amounts of the approved program budget by the greater of 10% of the budget line item or 3% of the total budgeted costs are unallowable under this contract. Costs falling within a budget line item for which there are no dollars budgeted are unallowable in their entirety. In order to be compensated for costs which exceed the individual budget line amounts of the approved program budget by the greater of 10% of the budget line item or 3% of the total budgeted costs, Contractor must submit to County a proposed amended budget along with detailed justification for the proposed budget prior to the end of the contract year to which the budget relates. Contractor will not be compensated for costs in excess of the above limitations until the proposed amended budget has been received, reviewed, and accepted by the County in its entirety. County reserves the right to disallow budget changes proposed by Contractor in part or in its entirety.
Limitations to allowable costs apply to the monthly expense submissions for those contracted services compensated on either the “cost reimbursement” or the “lower of cost incurred or units provided times unit rate” basis. Limitations on allowable costs also apply to the final accounting for program costs in the annual audit provided by the Contractor.

**Payor of Last Resort**

Purchaser is intended to be the "payor of last resort" (Milwaukee County DHHS Payor of Last Resort Policy is incorporated hereinby reference) after all other public and private funds restricted to the services being purchased, including medical insurance and restricted contributions, have been exhausted. Under no circumstances shall the Provider bill, charge, seek remuneration or compensation from or have recourse against the Participant, or any person acting on his/her behalf, for services provided under this Agreement. Except where prohibited by funding restrictions or exclusions, Provider agrees to seek reimbursement from third party payment source, if available. Any surplus and/or restricted program revenues (temporarily restricted net assets) are to be returned to the County as unspent funds.

No funds within this Agreement may be used to supplant Health Insurance, or services funded by, or eligible to be funded by Medicaid Title XIX, any Medicaid Waiver program, a Health Maintenance Organization, including Medicaid HMOs, Wisconsin Family Care or any other Care Management Organizations (CMO), IRIS, , as applicable, or other special managed care programs.

**Availability of Funds.** Should Purchaser’s reimbursement from state, federal, or local sources not be obtained or continued at a level sufficient to allow for payment for the services covered by this Agreement, the obligations of each party may be terminated. Any changes that impact on availability of funding shall be sufficient cause for Purchaser to immediately reduce the amount of payment or unit rate paid to the Provider with or without advance notice. All amounts collected from third parties shall be supported by Provider’s records and shall be reported to the Purchaser per Policy and Procedure including billing and service documentation.

Payment of the Provider’s invoice does not absolve Provider from a final accounting and settlement upon submission and review of Provider’s annual audit, or from audit recoveries arising from an on-site audit of Provider’s Service Documentation in support of the services billed in accordance with this Contract.

If Provider's residential rate calculation was arrived at using a vacancy factor, BHD has the right not to pay Provider for the first 14 days per year of a resident's/client's hospitalization or incarceration. Provider agrees to notify Purchaser within 2 business days of a resident's hospitalization or incarceration.

5. **PROVISIONS FOR PURCHASED OR LOANED PROPERTY**

Any furniture, fixtures or equipment (hereinafter called “property”) purchased by Contractor or County, with program funds under this Contract, remains the sole property of County, and in its discretion, County may require such property to be returned to County upon termination of the Contract or any certified service related to the use of the property. Refer to policy.

Payment by County of Contractor’s invoice does not absolve the Contractor from a final accounting and settlement upon submission and review of Contractor’s annual audit, or from audit recoveries arising from an on-site audit of Contractor’s case records or other documentation in support of services billed. Billing reports received thirty (30) days after the termination of this Contract will not be considered for payment by County.

Contractor is responsible for the accuracy of billings for Covered Services and agrees to comply with all Purchaser Policies and Procedures related to billing for Covered Services.

Payment of the Contractor’s invoice does not absolve Contractor from a final accounting and settlement upon submission and review of Contractor’s annual audit, or from audit recoveries arising from an on-site audit of Contractor’s Service Documentation in support of Covered Services billed.

Contractor is under obligation to inform Purchaser if per Contractor’s own estimate the contract will be underspent by 25% or more.

County reserves the right to withhold, or recover payment, in whole or in part, adjust Provider’s invoice, or otherwise pursue repayment when Provider fails to deliver the Covered Services in accordance with the terms of this Agreement, or any other relevant Purchaser Policies and Procedures.

If a Participant has health insurance that includes coverage for a service that is both reimbursable under said insurance and that service is also covered under the Purchaser Program, Provider must bill the third-party insurance for Covered Services.

Milwaukee, WI 53203

The insurance requirements contained in this Agreement are subject to periodic review and adjustment by the County Risk Manager. Failure on part of the Contractor to produce or maintain the required insurance during the term of contract including any extension(s), shall constitute a material breach of the contract upon which County may immediately terminate this agreement.

15. WITHHOLDING OF PAYMENTS

Failure of Contractor to comply with contract requirements may result in withholding or forfeiture of any payments otherwise due Contractor from County by virtue of any County obligation to Contractor until such time as the contract requirements are met. County reserves the right to withhold payment or adjust Contractor’s invoice and the payment procedures contained in the Attachment 2, Payment Method, where Contractor fails to deliver the contracted services in accordance with the terms of this Contract, or any other relevant Milwaukee County Department of Health and Human Services’ administrative policies. Contractor shall cooperate fully in all utilization review, quality assurance, and complaint/grievance procedures, and submit in a timely manner (if required) annual audit
reports, corrective action plans, or any other requests for additional information by County. County may withhold payment entirely until requested or required information is received or, if applicable, until a written corrective action plan for improvement in services, compliance, or internal accounting control is received and approved by County.

16. CONTRACT TERMINATION

A. This contract may be terminated upon Thirty (30) days written notice by County for any reason, with or without cause, unless an earlier date is determined by County to be essential to the safety and well-being of the clients and patients covered by this Contract with the exception of those facilities which must meet the notification requirements as applicable in Chapter 50 licensing.

B. The financial arrangements in this Contract are based on conditions existing as of January 1, 2020, including any representations regarding existing and future conditions made by County in connection with the negotiation and execution of this Contract. If such conditions change due to causes beyond Contractor’s control, including, but not limited to, a change in the scope of Contractor’s services, a decrease in referrals or census or the availability of labor; efforts to organize labor; increases in costs, Federal State and local taxes and other operation costs; a change in Federal, State and local standards, requirements recommendations, and regulations; or other unforeseen external market conditions outside Contractor’s control (each, a “Material Adverse Change”), then Contractor shall notify County in writing that a Material Adverse Change has occurred. Within the 60-day period immediately after County receives such notice of Material Adverse Change, the Contractor and County shall, in good faith, renegotiate the terms of this Contract, in order to address the altered circumstances brought about by such Material Adverse Change. In the event Contractor and County are unable to renegotiate the terms of the Contract to their mutual satisfaction, Contractor may give notice of termination of this Contract but shall not be relieved of its obligations under this Contract until the 180th day after County first received such notice of Material Adverse Change.

C. Termination, or notice of termination, shall not release the Provider of its obligation to complete treatment of Participants receiving care or treatment until transfer/transition of the Participant/Service Recipient can be accomplished with minimal disruption to the continuity of service, or 180 days from the date of termination notice, whichever is earlier. In order to continue treatment or transfer/transition of Service Recipients, Provider will enter into a contract amendment with Purchaser extending the contract expiration date until such time as an orderly transition is accomplished. Payment by Purchaser for services as provided in the Agreement shall be contingent upon the parties to this agreement entering into a contract, or contract extension, if necessary, in order to pay Provider. Purchaser shall not pay Provider without an executed contract between the parties during the period of service. Provider should shall assist in orderly transfer/transition of Participants/Service Recipients to new provider(s) as directed by Purchaser and provide to new Provider, or Purchaser, all required service documentation, case notes, treatment records, medical files and personal records, which are required by the new Provider, or Purchaser, to provide proper services to the Participants/Service Recipients at current Provider’s cost. Failure to comply with this requirement is a breach of contract, and may result in liquidated damages/claims against the Provider of up to $2,000 per client, based on the severity of the breach, for each day beyond the Purchaser’s deadline for receipt of Service Recipient
records, and may bar the Provider from other contracting opportunities with Milwaukee County, or may be a cause for termination of other contracts with Milwaukee County. This provision shall survive the termination of this Agreement regardless of the reason.

D. Failure to maintain in good standing required licenses, permits and/or certifications, may, at the option of the County, result in immediate termination of this contract. Failure to comply with any part of this Contract may be considered cause for early termination by the Purchaser.

E. It is understood that the ability of Milwaukee County to contract for these services is dependent on appropriation of the necessary funds and receipt as provided for in the adopted budget. County, therefore, reserves the unilateral right to terminate participation in such service upon ten (10) days written notice when it appears that the funds budgeted (or provided through grants) for such purpose will be exhausted or terminated.

F. If circumstances exist which threaten imminent harm or safety and wellbeing of Participants/Service Recipients or which results in Provider being legally unable to deliver covered services, this may justify or require immediate termination.

G. Failure on the part of Contractor to comply with this Contract may be cause for early termination of the Contract without the right to cure the breach of Contract.

H. Failure on the part of Contractor to provide deliverables (reports, supporting documents etc.) or frequency thereof, as required under this contract and/or required by the County will result in immediate cessation of work under this Contact. In such instance, the work under this contract cannot be resumed unless such deliverables are provided to County’s satisfaction and a written notice to resume work is received by the Contractor. Such breach may also result in early termination of the Contract without the right to cure the breach of the agreement.

I. In the event of termination, the County will only be liable for State, Federal or other reimbursable services rendered through the date of termination and not for the uncompleted portion, or any materials or services purchased or paid for by Contractor for use in completing this Contract.

J. This Contract may be renegotiated in the event of changes required by law, regulations, court action, or inability of either party to perform as required in this Contract. Revision of this Contract must be agreed to by both parties as evidenced by an addendum signed by their authorized representatives.

K. Contractor shall notify County, in writing, whenever it is unable to provide the required quality or quantity of services, or key personnel proposed in the application for contract are no longer available to provide services. Upon such notification, County and Contractor shall determine whether such inability will require a revision or early termination of this Contract.

L. County reserves the right to withdraw any qualified recipient from the program, service, institution or facility of the Contractor at any time, when in the judgment of County, it is in the best interest of County or the qualified recipient so to do.
M. In the event of termination, the Contractor will be notified in writing in accordance with the Section of this Contract regarding “Notices”.

N. Should County reimbursement from state, federal or other sources not be obtained or continued at a level sufficient to allow for payment for the quantity of services in this Contract, the obligations of each party shall be terminated. Reduction in reimbursement or payment from state, federal or other sources shall be sufficient basis for County to reduce the amount of payment to Contractor notwithstanding that Contractor may have provided the services.

O. When agreement is terminated, the Contractor shall not incur new obligations for the terminated agreement after the effective date, and shall be responsible for all outstanding obligations after the effective date of the termination. The Purchaser shall not allow credit to the Contractor for the Purchaser’s share of any obligations incurred by the Contractor after termination except for the services provided under clause “C” above. This provision shall survive the termination of this Agreement regardless of the reason.

P. The Contractor shall, within 60 days, refund any unearned County funds advanced to the Contractor. This provision shall survive the termination of this Agreement regardless of the reason.

Q. The Contractor shall submit, within 30 days of the date of termination final invoice/billings and shall submit within 120 days all other financial, performance, and other reports required by the terms of the agreement. The Purchaser may extend the due date for any report upon receiving a justified request from the Contractor and may waive any report which is not needed. This provision shall survive the termination of this Agreement regardless of the reason.

R. If a Contract is terminated without audit, the Purchaser retains the right up to five years to disallow and recover an appropriate amount, after fully considering any recommended disallowances resulting from an audit which may be conducted later. This provision shall survive the termination of this Agreement regardless of the reason.

S. The termination of this Contract does not affect the Contractor’s responsibilities with respect to return of/disposal of property purchased with Purchaser’s funding or with respect to any program income or other recovery for which the Contractor is still accountable as provided by law. This provision shall survive the termination of this Agreement regardless of the reason.

T. Amounts payable to the Purchaser under any of the provisions of this agreement shall constitute a debt or debts owed by the Contractor to the Purchaser and shall be recovered from the Contractor or its successor or assignees by setoff or other action as provided by law. This provision shall survive the termination of this Contract regardless of the reason.
17. CONTRACT RENEGOTIATION

This Contract may be renegotiated in the event of changes required by law, regulations, court action, or inability of either party to perform as committed in this Contract. Revision of this Contract must be agreed to by both parties as evidenced by an addendum signed by their authorized representatives.

18. INDEPENDENT CAPACITY AND RELATIONSHIP

Nothing contained in this Contract shall constitute or be construed to create a partnership, joint venture or employee-employer relationship between County or its successors or assigns and Contractor or its successors or assigns. In entering into this Contract and in acting in compliance herewith, Contractor is at all times acting and performing as an independent contractor, duly authorized to perform the acts required of it hereunder. Parties hereto agree that the Contractor, its officers, agents and employees, in the performance of this contract shall act in the capacity of an independent contractor and not as an officer, employee or agent of the Contractor or County. Further Contractor agrees to take such steps as may be necessary to ensure that each Independent Service Provider and/or subcontractor of the Contractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, officer, employee, servant, joint venture, or partner of the Contractor or County.

Reports must be submitted in format approved by DHHS Accounting and provided by DHHS Contract Administration for purchased services. Reports for services provided under this contract must be emailed to DHHS Accounting for initial approval at:

dhhsaccounting@milwaukeecountywi.gov

For the months of January and February, COUNTY may make an early payment to CONTRACTOR equal to one-sixth (1/6th) of the contract amount, or in an amount as directed by the Division Administrator. In addition, early payment on contracts with a duration of more or less than 12 months (a non-standard contract term) shall be determined at the discretion of the Division Administrator.

Subsequent to the early payment if any, CONTRACTOR shall receive payment for actual, year-to-date billings submitted to COUNTY, and said billings shall result in a payment to CONTRACTOR within thirty (30) working days following receipt, review and approval of the reports, and required supporting documentation if any, by COUNTY.

However, for the last two to four months of the contract, payments to CONTRACTOR based on cumulative amount earned may be reduced to reflect the effect of the early payment on year-to-date payments. In no event shall total payments (including early payment) under the contract exceed the amount of the contract.
