

Age-Friendly Milwaukee County Steering Committee

2026 Schedule

Overview

The Age-Friendly Milwaukee County initiative began in 2025. Following the AARP model, the first year of the initiative was dedicated to needs assessment. The second year, 2026, will be focused on planning, followed by three years of plan implementation from 2027-2029.

Meeting Location, Schedule & Focus

Meetings will continue to be held on the second Tuesday of each month, but meeting duration will vary depending on the content of the meeting. **The location for all meetings will be the Marcia P. Cogs Health & Human Services Center located at 1230 W. Cherry Street.** Note that some meetings are in-person only and some will include a virtual option (in-person attendance preferred).
