## BEACH WHEELCHAIRS FOR USE!

@BradfordBeach @abilitycenterwi

Beach wheelchairs will soon be back at Milwaukee County's Bradford Beach until Labor Day. Persons with disabilities can use the beach wheelchairs for FREE. You can access a beach wheelchair by going to a Tiki Hut on the beach.

[Enjoy a video about the beach wheelchairs.](#)

## RAMPUP MKE – BRADFORD BEACH!

@abilitycenterwi @CountyParks @BradfordBeach @ChrisSAbele

The Countdown is on to open the beach to everyBODY! The goal is to create a unique and universal entrance to Bradford Beach just in time for the 30<sup>th</sup> Anniversary of the signing of the American With Disabilities Act (ADA). The RampUp Bradford Beach project has been a collaborative effort between [The Ability Center](#) and the [Milwaukee County Parks](#) and funded by the generosity of the [Milwaukee County Parks](#), [Chris Abele](#), the [Greater Milwaukee Foundation](#), the [Christopher and Dana Reeve Foundation](#), the [Milwaukee County Commission for Persons with Disabilities](#) and over a **hundred individual donors**. The entrance to the beach will start with a concrete plaza, pathway and stairs right off the Oak Leaf Trail and just south of the crosswalk at Lincoln Memorial Drive. Mobi-Mats (seasonal beach access mats) will be attached to the end of the pathway allowing visitors to go right to beautiful Lake Michigan's water's edge. Accessible beach wheelchairs will also be available for visitors to check out to further explore the beach and can even go right into the water! Visit The Ability Center website (<http://tacwi.org>) for details on the ribbon-cutting and opening of the pathway to the most accessible beaches on Lake Michigan and the nation!

## HAPPENINGS AT THE WEHR NATURE CENTER!

@CountyParks @wehrnature

Friends of Wehr Nature Center was awarded a large 2-year pilot grant from Bader Philanthropies to create and execute a Spark! program. Spark! is a special program designed for people going through cognitive changes, such as memory loss, and their caregivers. Each session is devoted to learning about the simple beauty found in nature and how it enriches our lives. Programs will be led by staff naturalists and volunteers and take place indoors but may include a brief outdoor component close to the building. Each month features a topic that focuses on the season, The Spark! nature program for persons with ranges of dementia and memory challenges and their care partners will begin in the Fall of 2020. ## MCFI PROGRAMS OPENING

Services for adults opening in July

@MCFISocial

We are excited to announce that MCFI's in-person day services and brain health programming will re-open in July.

Since temporarily closing those programs in March due to COVID-19, we have been diligently developing procedures and practices to create a safe environment for our clients, families and staff that align with local, state and national health guidelines.

We have heard from many clients and families who are excited to return to in-person programming. We know this transition may not be easy but rest assured that staff is well-qualified to help with any re-adjustment issues.

While so many are eager to return, we also know that some are reluctant right now to fully engage with others, or they have so enjoyed our remote programming that they want to continue with that approach. MCFI's remote programs were designed to keep clients engaged while providing them with a sense of structure and comfort during our public health crisis.

Because they were so well received, remote programming will continue to be offered along with in-person services offered at our Bay View campus, 3333 S. Howell Ave., Milwaukee.

For more specific program information as well as dates and times of services, please contact LIFE/Brain Health Director Kalli Reinheimer, [kalli.reinheimer@mcfi.net](mailto:kalli.reinheimer@mcfi.net).

MCFI's mission is to partner with people of all abilities to advance their total health. To learn more about MCFI's 80-year legacy of innovation, please visit [www.mcfi.net](http://www.mcfi.net).

## MoMS CONNECTORS TABLE

Thursday, July 9, 4:00 - 5:00 PM

Saturday, July 25, 10:30 - 11:30 AM

Meet by computer or phone. Please register at least one week in advance to receive logon instructions.

Cost: Free

Register at:

<https://mainstreamingonmainstreet.com/connectors-table/>

Mainstreaming on Main Street® (MoMS) is a learning community of and for persons with disabilities (PWD) who engage in professional/skilled settings. The MoMS Connectors Table is a forum for PWD to explore topics related to the dance of being a professional and having a disability.

Each connectors table starts with a brief introduction to frame the conversation. The conversation is directed by the experiences of the participants. Featured topics:

- Perspectives on disability
- Talking about disability: wholeness and brokenness
- Micro-aggressions and marginalization
- Fixing, helping, serving
- Disclosing disability/coming out as a person with a disability
- Disability archetypes: superheroes, victims, and saviors
- Building a team: consuming/collaborating

An underlying tenant of MoMS is: "We are each of us broken, and yet, we are all whole persons."

# LET MCTS BE YOUR FREEDOM ON WHEELS IN 2020

@RideMCTS

The summer weather has arrived, and things are slowly starting to open back up. MCTS believes nothing is more important than the health and safety of our customers and employees. As the COVID-19 situation evolves, MCTS policies and service will also adjust. Please continue to follow MCTS on social media and check [RideMCTS.com/coronavirus](http://RideMCTS.com/coronavirus) for the most current information.

## Covid-19 Update

### The Latest:

- Buses that run Mondays-Fridays are using a regular weekday schedule (with the exception of Freeway Flyers, U buses, and school trips). Weekend schedules remain unchanged.
- MCTS has resumed fare collection and front door boarding on all buses.
- A maximum of 10 passengers are allowed on a bus at any given time.
- The MCTS Administration Building, 1942 N. 17th Street, is closed to visitors.

### How You Can Help:

- Leave extra room between yourself and others.
- If possible, wear a face mask or another type of cloth covering your nose and mouth.
- Wash your hands often with soap and water. If soap and water are not available, use hand sanitizer.
- Avoid touching your eyes, nose and mouth.
- Cover your cough or sneeze with a tissue or your elbow.
- Stay home if you are sick.

### Transit Plus:

- Transit Plus continues to accept new applications via email and traditional mail.
  - Assessors will determine eligibility after reviewing the paperwork.
- The office will remain closed to the public until further notice.
- Transit Plus tickets can be purchased over the phone by calling 414-343-1700.
- If you have a Transit Plus card that is about to expire, the card will remain active throughout the duration of the public health emergency.
- If you need a replacement card, please call 414-343-1700.
- Only ride if it's absolutely necessary.

### New Accessible Bus Stop

Construction season is in full gear and with that brings improvements to bus stops across the system. Recently, a new hotel was completed on the southeast corner of

Lincoln & 102<sup>nd</sup> St. Contractors improved the eastbound Route 53 bus stop, by adding an accessible boarding pad where there previously hadn't been one.

Don't forget to "Like" our group on Facebook, "MCTS Travel Training," and you can follow our outreach presentations, ask us questions and request an individualized or group travel training session. ## Executive Proclamation

**WHEREAS**, on July 26, 1990, President George H.W. Bush signed into law the Americans with Disabilities Act (ADA) to ensure the civil rights of people with disabilities; and

**WHEREAS**, this legislation established a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities; and

**WHEREAS**, on July 26, 2020, we will celebrate the 30th anniversary of the signing of the ADA; and

**WHEREAS**, the ADA has expanded opportunities for Americans with disabilities by reducing barriers and changing perceptions, and increasing full participation in community life; and

**WHEREAS**, the full promise of the ADA will only be reached if we remain committed to continue our efforts to fully implement the ADA; and

**WHEREAS**, on June 22, 1999, the United States Supreme Court ruled in *Olmstead v. L.C.* that segregating individuals with disabilities in institutions constitutes discrimination under Title II of the Americans with Disabilities Act; and

**WHEREAS**, this ruling affirmed the rights of individuals with disabilities to receive publicly funded services in the most integrated setting; and

**WHEREAS**, Milwaukee County has a proud history and a strong commitment of providing individuals with disabilities the opportunity of full inclusion within Milwaukee County government, including but not limited to: employment, programs, services and policy making; and

**WHEREAS**, in accordance with values and principles set forth in the Olmstead Decision, in December 2014 Milwaukee County discontinued operation of the last institution for persons with intellectual and developmental disabilities in this community; and

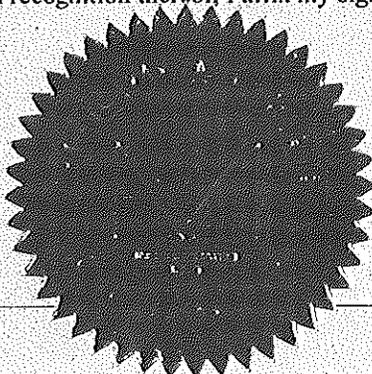

**WHEREAS**, Milwaukee County is committed to continue to support person centered, independent living for all citizens with disabilities; and

**WHEREAS**, On the 30th anniversary of the Americans with Disabilities Act, we the citizens of Milwaukee County celebrate and recognize the progress that has been made by reaffirming the principles of equality and inclusion and recommitting our efforts to reach full ADA compliance; now, therefore

**BE IT RESOLVED**, I David C. Crowley, Milwaukee County Executive do hereby reaffirm that Milwaukee County will continue our commitment to work toward full ADA compliance, and

**BE IT FURTHER RESOLVED** that in accordance with our commitment to ADA principles and values do hereby proclaim July 26, 2020 as *Americans with Disabilities Act Awareness Day* throughout Milwaukee County.

In official recognition thereof, I affix my signature on the 16th day of June 2020.

A handwritten signature in black ink, appearing to read "D. Crowley".

David C. Crowley, Milwaukee County Executive

# Benefits Counseling

Do you need help navigating and understanding the impact work has on your benefits?

Goodwill can help!

A Goodwill Benefits Consultant will meet with you and provide a written detailed explanation of the Social Security Administration (SSA) disability benefits and other public benefits and how they apply to you. This includes Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI).

It can be challenging to figure out how your benefits will be affected by going back to work and understanding how the work incentives can support your job goals. Goodwill's Benefits Consultants clearly and concisely explains how work earnings can affect all your benefits. The consultant clarifies eligibility criteria and how to access work incentive programs, while confirming your qualifications for federal, state and county programs like FoodShare or Medicaid.

Our benefits consultant is also able to assist you with developing a PASS (Plan for Achieving Self-Support) with Social Security and provide benefits counseling for self-employment.

# Get your mammogram

## EARLY DETECTION IS THE BEST DEFENSE

Make sure you are up to date on your breast cancer screenings. Here are some facts about breast cancer detection:

- Breast cancer is the most common cancer among women.
- There is no way to tell who will get breast cancer. All women are at risk. One in 8 women will get breast cancer in their lifetime and in 80 percent of cases, there is no family history.
- Breast cancer can be treated. Survival rates are best with early detection.
- Mammograms can cause discomfort, but the breast compression only lasts a few seconds. Many beauty procedures cause much more pain, including hair plucking, waxing, tattooing, piercings and microdermabrasion.
- The American Cancer Society and many doctors recommend that women age 40 and older have a mammogram every year.
- Women in their 20s and 30s should have a breast exam as part of their regular physical at least once every three years.
- Breast self-exams are one way to detect changes in your breasts. Report any changes to your doctor right away.

**Lisa Blanchard, RN, MBA,** is a Quality Improvement Coordinator at MHS Health. She encourages women to follow their doctor's recommended schedule for mammograms.
