5. EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS

Bidders attention is called to the "Notice of Requirements for Affirmative Action to Insure Equal Employment Opportunity" contained in bid documents.

6. TARGETED BUSINESS ENTERPRISE (TBE) REQUIREMENTS

Office of Economic Inclusion (OEI) is responsible for monitoring and enforcing the Milwaukee County Target Enterprise (TBE) Program for inclusion of small business. Target firms include DBE firms certified under the Wisconsin Unified Certification Program following Federal regulations, WBE and MBE certifications from the State of Wisconsin DOA, SBE firms certified by Milwaukee County, and SBE firms meeting SBA size standards and listed in the SAM directory.

Meeting TBE project participation goals may be achieved utilizing any combination of TBE firms, whether DBE, SBE, MBE, or WBE. There are no percentage goals assigned directly to any of the types of firms. This allows for increased participation by providing opportunities for multiple

certifications to be included in the project. TBE Prime's will receive credit towards the goal for work they self-perform.

The Target Enterprise participation goals for this project are as follows:

Contract 1: Sanitary Sewer CCTV / Televising – 0% TBE

Contract 2: Sewer Rehabilitation – 20% TBE

Contract 3: Hansen Park Floor Drain Redirection – 0% TBE

To be considered for this project, you must submit *Subcontractor/Sub-consultant/Supplier Information* with your Bid/Proposal listing all subcontractors as well as signed *Commitment to Contract with TBE* (TBE-14) forms, one for each of the TBE firms included to meet participation. TBE-14 form(s) must identify (1) the TBE firm by name and address, (2) the scope of work/service(s) to be provided, (3) the dollar amount of such work, and (4) the percentage. The form is first completed and signed by the Prime, then forwarded to the TBE subcontractor for signature in the affirmation section. Signatures must occur in the proper date order sequence, or the form may be considered non-responsive. OEI is entitled to reject your bid for improperly completed forms. If you are not able to meet the goal, you must submit the TBE-01 Good Faith Effort with the bid for your bid to be considered.

Adherence with prompt payment requirements is monitored through information entered into the Diversity Management and Compliance System, utilizing B2GNow software. Prime contractors/consultants are required to report payments received from the County and amounts paid to subcontractors/ sub-consultants. Subs will receive an automated email requesting them to confirm the amounts and whether the terms of the prompt payment policy were complied with. There is no cost to the Prime or any subcontractor, the only requirement is to become a registered user and complete the one hour webinar training. The County will enter the initial contract into the system, and the Prime will enter all subcontractors, including both TBE and non-TBE firms.

The Target Enterprise Utilization Specifications and forms to be used are included in the Project Manual.
