The Milwaukee County Department of Administrative Services (DAS), Milwaukee County Zoo, and the Zoological Society are requesting proposals for the planning and design of the Zoo's Phase III of its Adventure Africa Master Plan. Proposals are for professional consulting services to provide full design and engineering services for the Zoo Adventure Africa – Rhinos Exhibit at the Milwaukee County Zoological Garden. Professional consulting services shall include site planning, schematic design, design development, assisting the construction administrator with cost estimates, construction documents, bidding, and construction administration.

A summary of the project scope is to renovate the existing Pachyderm Building and its surrounding exterior exhibits including the following:

- Former Elephant Exhibit
- Two Existing Rhino Exhibits
- Former Tapir Exhibit
- Former Asian Black Bear Exhibit
- Mall area between east and west Pachyderm Building
- Main Pedestrian Trail Component:
 - Create a new walkway north of the new Hippopotamus Exhibit through the Feline Mall & out the southwestern corner of the Mall joining the sidewalk on the western side of the exhibit complex.
 - Create a second walkway north of the Former Asian Black Bear Exhibit through to the main pathway which runs north and south.

The compound will consist of several outdoor and indoor components. Please see Attachment One – Scope of the Project for details.
