Department Mission: We are law enforcement professionals, representing a variety of criminal justice disciplines, and we exist to serve the public. We are committed to creating a culture of service that views our citizens as customers whose satisfaction is absolutely essential to our success. Public safety is a priority of citizens. Performance matters here.

Department Description: The Office of the Sheriff acts as an arm of the criminal justice system, which consists of carrying out criminal investigations, effecting arrests and warrants, detaining prisoners, providing court security, serving process papers, transporting prisoners and patients and extraditing criminals. The Office of the Sheriff is comprised of three Bureaus covering various service areas. The Bureaus are Administration, Detention Services and Police Services.

The Administration Bureau includes: management and support services including leadership, personnel management, preparation of the annual budget, fiscal monitoring and accounting, the Internal Affairs Division that investigates all incidents involving Sheriff's Office personnel, community interaction and dignitary protection,

media relations, open records, the Training Academy, Law Enforcement Analytics Division (LEAD), Central Records including the Traffic Desk, Community Policing and Honor Guard.

The Detention Services Bureau includes: Criminal Justice Facility (CJF) inmate housing and property, bailiff services for the County Court system, security screening within the Courthouse Complex, Jail Records, Visitation, Inmate Health, Transportation, Food Services, Central Booking Records and Warrants.

The Police Services Bureau includes: Airport Security, Criminal Investigation and Apprehension Unit, Drug Enforcement, Explosive Ordnance/Bomb Disposal Unit (EOD), the Targeted Enforcement Unit (TEU), Expressway Patrol, Civil Process Unit, K-9 Operations, and the Special Weapons and Tactics Division.

2018 Budget Overview

The 2018 Budget provides resources to allow the Sheriff to provide services at the current levels. The total number of full-time, authorized positions remains unchanged in 2018. Program Area expenditures and revenues are for presentation purposes only. The Office of the Sheriff has certain statutory authority to utilize resources allocated to it, so actual expenditures, revenues, and staffing levels may differ from the figures presented in the program areas below. The Sheriff is expected to utilize resources primarily on core, mandated functions over discretionary functions. However, the Office of the Sheriff shall comply with all County regulations and policies (such as personnel and fiscal related) in areas that are not unique to the Office of the Sheriff.

Major Changes in 2018:

- Overtime increases to reflect a balance between fiscal constraints and public safety needs.
- Based on recent changes in regulations by the Federal Communications Commission, rates for inmate phone calls are increased to \$0.25/minute for a revenue increase of \$1,040,076.
- Vacancy and Turnover is included to encourage in the rightsizing of the command staff through attrition to reflect the limited scope of services for a Sheriff in a fully incorporated County.
- Funds are included in Org Unit 1972 to account for potential increase in wages for the Deputy Sheriffs Union
- 5 Unfunded Deputy Sheriff 1 positions are created for increased continuity when many Deputies are eligible to retire.
- Expenditures decrease due to the centralization of all fringe benefit costs and external crosscharges. Accounting for those changes, tax levy support for the Office of the Sheriff increases \$975,283.
- In order to address a structural budgetary deficit caused primarily by growing pension and retiree health care costs, as well as reductions in support from the State, the 2018 Budget includes a vacancy and turnover increase of approximately one percent for most County departments for an overall savings of \$1,877,496. The increased vacancy and turnover for the Office of the Sheriff is \$100,104. In order to ensure that vacancy and turnover savings are realized, all requests to fill positions shall be reviewed and approved by the Department of Administrative Services before the position may be filled. This adjustment is included in Program Area 1: Administration.
- An expenditure reduction of \$371,292 is included in this department to avoid an increase of the countywide vehicle registration fee of \$30. This expenditure reduction shall be managed by the department to achieve a commensurate tax levy savings by seeking efficiencies to minimize the impact on the delivery of programs and services.
- Prior to enacting any direct service cuts, departments will work with the Department of Administrative Services – Performance, Strategy, and Budget to identify opportunities to re-organize, streamline, consolidate, eliminate, or otherwise reduce duplication and the cost of administrative expenditures within County government. The initiative shall include a review of prior internal and external audits, consulting reports, workgroup activities, and studies. In addition, the effort should include a critical reassessment of any expenditure of contract funds for non-core services.

Unit responsibilities include, but are not limited to, the service of evictions, foreclosures, replevins, extraditions, temporary restraining orders (TROs), injunctions, subpoenas, small claims, summons, complaints and Mental Health commitment papers and transportation of individuals to and from other counties for treatment.

How Well We Do It: Performance Measures				
Performance Measure	2015 Actual	2016 Actual	2017 Target	2018 Target
Performance Measures have not yet been created for this Service.				

Strategic Implementation: This new program area in 2017 is responsible for overall security of the Courthouse and Vel Phillips Juvenile Justice Center. Security officers staff screening stages at the entrances and exits of the complex and ensure a safe environment for all individuals. In 2017, the Office of the Sheriff and DAS-Facilities Management will continue to explore new entrance configurations that would improve traffic patterns and encourage the increased use of MacArthur Square.

This program area shows \$0 in expenditures since its costs of \$1.7 million are crosscharged to other departments that utilize the County Courthouse.
