Department Mission: To promote and enforce merit-based personnel practices to support a high-quality County workforce and public trust in effective County government. To ensure public confidence that the Milwaukee County government acts with the highest integrity and in the public interest. The department strives to assure fair and impartial due process hearings for the suspension, demotion, or discharge of County employees in the classified service as provided by law.

Personnel Review Board and Civil Service Commission Description: Chapter 63 of the Wisconsin State Statutes establishes Milwaukee County’s Civil Service System, which is carried out by the Civil Service Commission (“Commission”) and the Personnel Review Board (“PRB”). The Commission and the PRB are separate, quasi-independent entities that each consist of five citizen members who are appointed by the County Executive and confirmed by the County Board of Supervisors.

Ethics Board Description: The Milwaukee County Ethics Board is the primary source of interpretation of the Milwaukee County Ethics Code, and it is supported by three staff members who also support the Personnel Review Board and Civil Service Commission. The Ethics Board provides advisory opinions; assesses potential ethical issues; provides periodic government ethics education; and enforces the Ethics Code through investigation, hearings, and resolution processes.

Major Changes in FY 2019: The Ethics Board is partnering with IMSD to create an online filing system for Statements of Economic Interests (SEI's) for use by the end of the year. The intent is to make the filing process easier for required filers and, thus, increase the ratio of SEI's filed versus those required filers who fail to file.

Strategic Overview: Chapter 33 of the Milwaukee County General Ordinances delegates certain statutory duties of the Civil Service Commission to the PRB. The PRB provides a quasi-judicial forum in which to hear disciplinary suspensions, demotions, or discharges from a classified County service; to review grievance appeals under Chapter 17.205 of the Milwaukee County Ordinances; and to ensure the proper execution of County civil service rules, policies, and procedures.

Strategic Implementation: The 2018 Budget reflects the relative consistency in volume of charges for employee disciplinary matters and continued levels of service, training, and outreach. The 2019 Budget for the Personnel Review Board maintains its 5 part-time non-County employee Board members as well as its high level of service.

Strategic Overview: The Civil Service Commission is comprised of five members. Appointments are made on the basis of recognized and demonstrated interest in and knowledge of the problems of civil service. The Commission meets bimonthly to hear the Hearing Examiner’s recommendation, if any, concerning the suspension, demotion, or discharge of County employees and to make its determination. The Commission also hears requests to move certain positions within the County from classified to unclassified status (and vice versa) as well as requests concerning changes to the Civil Service System.

Strategic Implementation: The Civil Service Commission primarily conducts hearings on merit system violations by BHD employees and exercises administrative control over the merit system, including promulgation of the Civil Service Rules. Since 2014, BHD has been governed by an independent Mental Health Board, and suspensions and/or discharges of BHD employees are now heard before the Commission instead of the PRB. The majority of the budget is devoted to legal fees for outside counsel and hearing examiners.

Strategic Overview: The Ethics Board is comprised of six members, each from a different nominating authority leading a longstanding, broad-based Milwaukee County entity interested in good government and institutional integrity. The Board meets on a quarterly basis (more often if needed) to interpret the Ethics Code, provide formal advice via Advisory Opinions, develop educational materials, and investigate ethics complaints.

Strategic Implementation: The 2019 Budget allows increased levels of service, training, and outreach to the County employees, officials, and the public due to streamlined operations. The 2019 Budget also maintains the Ethics Board's high level of service.
