coordinates automation and the purchase and distribution of equipment and supplies. It also prepares statistical reports for the court system and prepares cases for appeal to the State Appellate Court.

The Criminal Division hears, tries, and determines all matters for pretrial, trial and post-conviction proceedings in felony, misdemeanor and traffic matters. Within the Criminal Division, the Misdemeanor Courts conduct proceedings on matters in which jury demands have been filed in the municipal courts in Milwaukee County. The Clerk, Criminal Court Division, consults with litigants and attorneys on procedural matters; processes the records for the court; receives cases from the municipal courts; accounts for and disperses fees and fines to the County Treasurer; prepares judgment rolls and case records; issues warrants and necessary documents for court actions including the issuance of occupational licenses in operating while intoxicated cases; and maintains records for the automated JUSTIS System.

The Children's Court Division consults with petitioners, court appointed guardians, probation officers and other officials. It exercises jurisdiction over matters involving persons under the age of 18 regarding delinquency, dependency, neglect, guardianships, detention and termination of parental rights. It directs the preparation of legal processes, court orders and vouchers and maintains and files Children's Court records, including disposition of cases. This division also processes termination of parental rights proceedings, agency adoptions and documents filed in all adoption proceedings.

The Civil Court Division adjudicates small claims, large claims, replevin, and eviction actions. The Clerk of Circuit Court, Civil Division, consults with litigants and attorneys on procedural matters; calculates costs and records judgments; maintains the central court files for civil and family matters; directs the work of the clerical staff of the court; assigns and calendars all cases in the Civil Division of the Circuit Court; and supervises the processing of civil appeals to the State Court of Appeals.

The Family Court area hears all actions affecting family. Within this area, there are three sections. General office which conducts hearings for the family matters of separation, divorce, domestic abuse, and harassment. Child Support Enforcement (CSE) which conducts paternity hearings and monitors the job search task for those individuals liable for child support. Family Court Mediation Services which provides family mediation services and custody studies.

The Probate Division has two sections; Probate Administration and Probate court Support. Probate Administration manages and maintains all wills deposited for safekeeping or filed for probate, all probate records of estates, trusts, guardianships of persons and estates, conservatorship, protective placements and involuntary commitments. Probate Court Support assists the courts assigned probate jurisdiction in adjudicating matters involving probate, trusts, guardianships of persons and estates, conservatorship, protective placements, involuntary commitments, temporary restraining orders and injunctions in individuals at risk cases.

The Family Drug Treatment Grant Division is responsible for grant oversight in relation to drug treatment.

The Permanency Plan Review Division provides children in out-of-home situation with a review every six months by the court.

The Self Help Services, Milwaukee Justice Center (MJC), was founded as a collaboration and partnership between the Milwaukee Bar Association, Marquette University Law School, and Milwaukee County. It is a volunteer based community service project founded on the premise that everyone deserves meaningful access to the justice system, regardless of their economic situation or access to legal services.

Strategic Implementation: This program area, under direction of the Clerk of Circuit Court/Court Services Director, continues to plan, direct and coordinate the operations of the other divisions of the Circuit Court. This is the general management and fiscal arm of the Combined Courts operation. This program area is also responsible for the management of grants related to the improvement of Court services. The 2019 budget reflects a cost to continue of existing service levels.

Until 2016, Milwaukee County had not replaced courtroom furniture in over 25 years. In addition, routine maintenance such as painting and carpet replacement has been deferred for a similar period of time. The result is that a significant number of Milwaukee County courtrooms and courtroom offices are in abysmal condition and fail to provide a dignified and respectful environment for litigants, court employees, jurors, witnesses, victims and other members of the public. In 2019, the courts will continue a phased approach to upgrading furniture in courtrooms where it is in extremely poor condition. The Courts are requesting \$250,000 to continue replacing courtroom furniture including jury box chairs, jury room furniture, litigant tables and chairs, bailiff work stations, chambers and court reporter office furniture.

The Family Court program area supports a total of 15 courtrooms staffed by Judges and Commissioners.

This program area contains the Family Court Mediation Services, which are entirely offset with revenues collected from filing fees in certain family cases, user fees for mediation and custody study and placement services, and from a portion of marriage license fees for no tax levy impact. If, during 2019, the actual revenue received from these sources exceeds actual expenditures, the State mandates that the excess revenue be set-aside in a reserve account to offset future operating costs in this section. For 2019, a contribution of \$197,847 from the reserve is budgeted.
