Department Mission: We are determined to make Milwaukee County a leading employer with a high-performing, engaged workforce that meets and exceeds business objectives within a supportive and diverse workplace. This includes developing programs and practices that establish competitive compensation practices, cost-effective yet competitive employee and retiree benefits plans, encourage a healthy work-life balance, support career development, improve internal communications, and reward employees for their results and service. HR will also build management and leadership competency across the County through learning and development division initiatives, to ensure leaders have both the skills and the tools necessary to effectively lead employees to success. HR maintains a balance between employee and management rights and strives to build a culture of accountability for leaders and employees.

Department Description: The Department of Human Resources consists of seven (7) service areas which include the Director’s Office; Compensation & HRIS; Employee Relations; Talent Acquisition & HR Operations; Learning & Development; Benefits & HR Metrics; Retirement Plan Services.

2020 Changes:

\$81,000 is included for one-time renovations to the HR suite to improve access for customers with disabilities. This increase is offset by a decrease in operating costs for open records and project management services. \$98,000 is included for a new position to support Employee Engagement efforts countywide. The tax levy

Strategic Implementation: The Director’s Office develops and drives the overall long-term vision for Human Resources, while ensuring effective execution of all HR service areas on a day-to-day basis. Other duties include administering human resources programs, leading key County initiatives, and developing & launching the County’s diversity & inclusion strategies and programming. This office partners with executive leaders on developing human capital solutions for Milwaukee County, including overall workforce planning and talent management. In addition, this office is responsible for the HR staff’s achievement of goals, professional development, and overall service to the County. FTEs decrease due to an increase in vacancy and turnover adjustment. Expenditures decrease due to a reduction in contractual services for open records and project management services.

Strategic Implementation: The Employee Relations Division is committed to maintaining productive workplace relationships and improving the overall work environment by developing performance management tools, delivering training, and providing coaching and counselling to both employees and management staff. The Department is also responsible for establishing productive workplace relationships and open communication practices. These workplace enhancement activities mitigate employment-related risk for Milwaukee County and ultimately assist business units in achieving productive working relationships, and a results-oriented culture.

Key functions include coaching managers on employee matters, conducting investigations, providing developmental tools and resources to employees and managers, consulting on employee and manager performance management, addressing workplace conflicts or concerns, collaborating with Corporation Counsel on legal matters, and connecting employees and managers to a wide array of HR services. This area is also responsible for collective bargaining.

To strengthen our strategic human resources, support to Milwaukee County, the Division of Employee Relations is being restructured. By restructuring the division, we can foster a more collective and collaborative approach to providing employee and labor relations support to all departments. The new hierarchy will create a career path to leadership for human resources employees interested in building a career with Milwaukee County allowing us to attract and retain top talent.

Strategic Implementation: The Retirement Plan Services Division (RPS) administers the Milwaukee County Employees' Retirement System and the OBRA retirement plan, supporting the 10-member Milwaukee County Pension Board, conducting operations, and carrying out pension plan recordkeeping and administration. RPS serves more than 15,000 active and retired members, which includes ongoing member communication and education, stakeholder engagement, and monthly pension and survivor payments to over 8,000 retirees and beneficiaries. On an annual basis, RPS conducts more than 200 individual retirement counseling sessions, educates hundreds of active members at pre-retirement and general retirement readiness presentations, and handles an average of 30-member inquiries per day. RPS has an in-house compliance and policy practice, project management office, and fiscal operation that is responsible for individual member accounting, investment accounting, financial and tax reporting, and other fiscal activities. RPS maintains a pension administration system

FUND: General – 0001

with an in-house co-development team that performs system enhancements and ongoing maintenance. RPS also engages technical experts to provide actuarial and investment consulting services, as well as pension benchmarking, governance, compliance, and regulatory services.

RPS has a two-year strategic plan for the 2019 and 2020 fiscal years that seeks to achieve pension plan objectives of benefits administration, financial governance, member services and organizational learning and development. RPS will continue developing opportunities to improve operational effectiveness. The strategic plan and annual pension administration benchmarking inform business improvement projects and constitute a roadmap towards becoming a high-performing public pension plan.

In previous years, expenditures in RPS were offset by revenue from the Pension Fund for a net \$0 levy in Program Area #7. In 2020, this practice is discontinued and RPS costs are funded by direct tax levy. There is a corresponding decrease in the County's contribution to the Pension Fund in Org Unit 1950 – Employee Fringe Benefits for no net tax levy effect to the County. Due to the removal of offsetting revenue, active fringe benefits and centralized crosscharges are no longer charged to this unit, which causes the decrease in expenditures.
