Please note: Since the application process for 2014 funding, information regarding sales taxes paid was requested from all applicant groups. In 2017, CAMPAC funding assisted these organizations in generating over \$670,000 in sales tax payments in a single fiscal year. The overall revenues generated by these arts groups total over \$58,000,000 annually. In 2015, CAMPAC began collecting supportive data for number of full-time equivalent employees. Collectively, over 460 FTE worked for CAMPAC funded organizations in 2018.

Strategic Implementation: The Milwaukee County Fund for the Arts, through the Milwaukee County Cultural Artistic and Musical Programming Advisory Council (CAMPAC), allocates County property tax dollars to support and encourage cultural and artistic activities, which have an important impact on the economic well-being and quality of life of the community.

CAMPAC funding is allocated among these program areas: Matching Grants and Community Cultural Events.

I. MATCHING GRANTS

The Matching Grants program continues to be the highest funding priority, as it leverages outside dollars to sustain the County's arts organizations. This program allows the County to offer a broad variety of artistic experiences to its residents, while providing base support to small and large organizations according to an equitable formula.

Strategic Overview: The Milwaukee County Historical Society (MCHS) is a cultural organization that offers historic sites, exhibits, education programs and more to the public. MCHS was founded as a service provider to the County and still serves in this role to this day in preserving and making accessible historic records. Through the research library, people can access vital records that are important to them; sometimes giving them the ability to prove a relationship or to verify citizenship.

Notes of operation:

- The Milwaukee County Historical Center completed a major capital improvement project that began in 2017 and ended in 2018. This impacted our event rentals and admissions revenue, as well as attendance overall.
 - o MCHS worked with the County and Contractor to oversee the cornice project and together, saw a very efficient and cost-effective project. This partnership has resulted in the project costing less than half of the original estimate.
- MCHS and Milwaukee County Parks have come to an operating agreement for Kilbourntown House in

Estabrook Park. MCHS will assume all responsibility except for mechanicals; this is increased responsibility for MCHS. This contract is under review by lawyers with intent to sign.

- In November 2018, the entire County records collection was rehoused in improved storage. The documents remained available to the public through this process that realized a step forward in a long-term care plan, increased space, and financial efficiencies.

MCHS continues to evaluate and improve operations for highest levels of efficiency, as directed by the Board of Supervisors and County Administration. We continue to improve our operations and service to the public .

Strategic Overview: The Milwaukee County Federated Library System (MCFLS) is overseen by the Department of Public Instruction and serves 15 administratively autonomous and fiscally independent public libraries in Milwaukee County. These public libraries are **wholly funded by their municipality** and join the MCFLS organization voluntarily. In 2020, the County’s discretionary contribution to MCFLS remains flat at \$66,650.

Public libraries are key to the social infrastructure that binds Milwaukee County together. Social infrastructure are foundational services and structures that support the quality of life in our county. This includes any infrastructure that goes beyond basic economic functions to make a community an appealing place to live. Public libraries are critical in establishing social infrastructure, whether it be summer reading programs or outreach, libraries provide the glue that keep the community together.

MCFLS is responsible for supporting all public libraries in the county and coordinating the smooth interaction among members behind the scenes in many facets of the library environment.

Here's how we supported libraries and county residents in 2018: Earlier this year, MCFLS engaged its board of trustees and member libraries on a strategic planning process that culminated this May with the MCFLS 2020-2024 Strategic Plan. A host of new strategic directions emerged from discussions we've had with libraries over the past year, including a need for a better library experience for our residents, a cohesive marketing and advocacy strategy and support to allow members to connect to each other and encourage collaboration.

Strategic Overview: Pursuant to Wisconsin Statute 59.56(2), Milwaukee County (County) may acquire, own, operate and maintain a public museum in the County and appropriate money for such purposes. As a museum of human and natural history, it provides a dynamic and stimulating environment for learning. The museum interprets the world's cultural and natural heritage through collections, research, education and exhibits. It holds its collections as a public trust and is dedicated to their preservation for the enrichment of present and future generations.

¹ Positive Unrestricted Operating Earning is defined by unrestricted operating net income plus depreciation being greater than zero.

Strategic Implementation: The budgeted funds provided through the 10-year Lease and Management Agreement provide needed operational support to run the museum on behalf of the County and to provide access to schools, families and the community in a variety of ways. Increasing cost of benefits and building needs make this support even more critical with each passing year. Although a restructuring of MPM operations was necessary in FY 2017, MPM intends to continue serving over 500,000 visitors during each fiscal year and to provide services and educational opportunities to a diverse constituency. Milwaukee schools will also continue to receive free admission to MPM during the months of September through November.

Background on funding agreement: In 2013, the County and the Milwaukee Public Museum, Inc. (MPM) entered into a new Lease and Management Agreement (LMA). The new LMA commits the County to the following Operating and Capital budget funding levels:

1. Annual County Operating contributions:²
 - a. \$3,500,000 annually for calendar years 2014-2017
 - b. \$3,350,000 annually for calendar years 2018-2019
 - c. \$3,200,000 annually for calendar years 2020-2021
 - d. \$3,000,000 annually for calendar year 2022

For b,c,d years above, the funding will be maintained at \$3,500,000 per year if MPM has met its LMA commitments for fundraising capital amounts for the facility as well as meeting performance criteria.

2. Capital funding contributions up to \$5,000,000 during the calendar years 2014-2017.

As part of a proposed amendment to the LMA that will be reviewed by the County in July, the following changes would occur:

1. Annual County Operating contributions:³
 - a. \$3,500,000 annually for calendar years 2014-2020
 - b. \$3,200,000 annually for calendar year 2021
 - c. \$3,000,000 annually for calendar year 2022

For b,c years above, the funding will be maintained at \$3,500,000 per year if MPM has met its LMA commitments for fundraising capital amounts for the facility or a future facility as well as meeting performance criteria.

2. Capital funding contributions up to \$5,000,000 by December 31, 2020.

MPM provides detailed quarterly reports of financial status and museum programmatic updates throughout the fiscal year to the Milwaukee County Parks and Finance/Audit committees.

² The LMA (executed in 2013) states that MPM must achieve several operating and financial goals. If the goals are not achieved, the County may reduce its annual operating contribution by \$250,000 for the subsequent year. Additionally, if MPM receives at least \$5,000,000 in cash or donor commitments for capital projects by December 31, 2017, the annual operating contributions will remain at \$3,500,000 for calendar years 2018-2022.

³ The LMA (executed in 2013) states that MPM must achieve several operating and financial goals. If the goals are not achieved, the County may reduce its annual operating contribution back to the original schedule set forth in the LMA for the subsequent years. Additionally, if MPM receives at least \$5,000,000 in cash or donor commitments for capital projects by December 31, 2020, the annual operating contributions will remain at \$3,500,000 for calendar years 2018-2022.

Strategic Overview: The Charles Allis and Villa Terrace Art Museums contribute to the quality of life of Milwaukee County residents and visitors by creating opportunities to experience history, culture, and the arts.

The museums — a public-private partnership between Milwaukee County and Charles Allis and Villa Terrace Museums, Inc. (CAVT) — honor the gifts to the community of Charles and Sarah Allis (in 1946) and Lloyd and Agnes Smith (in 1967) through the preservation of their architecturally significant homes, world-class art collections, and gardens, while telling the story of the founding of Milwaukee as a city of industry and entrepreneurship.

The museums contribute to Milwaukee County's quality of life by offering vibrant exhibitions, collaborative educational programs, performances, and other events. Programming includes five new art exhibitions each year that feature local and regional artistic production and promote such work in a way that larger institutions cannot. The museums also offer concerts, films, family art-making workshops, lectures, tours and special events. We partner with the Rufus King International High School art program throughout the year, culminating in a student art show at the Charles Allis Art Museum. The museums continue to work with county-wide public grade-school art programs each fall. The facilities are available for rent by civic, cultural, veterans, educational, business and private groups. Both museums are on the National Register of Historic Places.

Strategic Overview: The mission of the Milwaukee Art Museum (MAM) is to serve the community and present art as a vital source of inspiration and education. Through exhibitions and related programs, the Art Museum is committed to bringing people together to inform, educate and engage in conversation around art. Art is a vital, life-enriching celebration of humankind’s creative history; through it, stories and events from times past and present are told, explored, and challenged. Art ignites imaginations. It makes us feel; it makes us think. Art sows the seeds of creativity, feeds the hunger for beauty and meaning, and connects us with others in ways nothing else can. Exhibitions planned for next year include: *Portrait of Milwaukee, James Benning and Sharon Lockhart, Landfall Press: Five Decades of Printmaking, A Modern Vision: European Masterworks from The Phillips Collection, The Quilts of Pauline Parker, Scandinavian Design and the United States 1890-1980, and Susan Meiselas: Through a Woman’s Lens.*

Strategic Implementation: In accordance with the Agreements, the 2020 tax levy contribution for operating support is \$1,100,000. An additional \$190,000 will be included in the 2017-2026 budgets as a result of an arbitration settlement outlined in the sale of the O’Donnell parking garage through resolution file 16-229.
