Department Mission:

To steward a thriving park system that positively impacts every Milwaukee County Park visitor.

Department Vision:

To foster dynamic connections through our lands and community, heighten the quality of life in the county, and lead as a model park system.

Department Description:

Milwaukee County's park system is diverse and multifaceted. Comprised of parks, facilities, and services, it directly supports our community by providing opportunities for recreation, health, wellness, environmental stewardship, and improved quality of life.

Parks manages over 15,000 acres including 157 parks, 11 parkways, and 210 miles of trails. The system offers year-round recreation activities located throughout the county: natural areas, trails, beaches, marinas, playgrounds, athletic courts and fields, community recreation centers, horticultural facilities, golf and disc golf courses, aquatic centers, swimming pools, wading pools, splash pads, dog parks, an indoor ice rink, and food and beverage locations.

Milwaukee County Parks is organized into three divisions: Administration & Planning, Operations & Trades, and Recreation & Business Services.

Department Goals:

- Equitably balance the parks system to make it sustainable in services, facilities, staffing, and funding.
- Advance racial equity to support Milwaukee County as the healthiest county in Wisconsin.
- Grow an engaged, diverse workforce that reflects the diversity of Milwaukee County residents.
- Invigorate community health & wellness through recreation experiences.
- Continue to expand communications to inform and engage our employees, stakeholders, and community.
- Improve Parks processes to standardize internal systems.

Department Objectives:

- Racial Equity: making sure we advance the county vision that by achieving racial equity, Milwaukee is the healthiest county in Wisconsin.
- COVID-19: making sure we support public health, open spaces, and healthy recreation experiences.
- Diverse & Inclusive Workforce: making sure Parks staff is diverse and representative of county residents.
- Customer-focused Design: making sure we equitably provide the services the public needs and wants.
- Employee Perspective: making sure employees are heard, safe, supported, and confident in what they do.
- Improved Performance & Equitable Practice: making sure decisions are equitable, sustainable, and positive.
- Fiscal Health: making sure we work toward the establishment of long-term Parks resources

Major Changes in FY 2021

Parks was hit hard by the COVID-19 pandemic resulting in all-time staffing lows, county-wide spending freezes, and revenue losses from the closure and delayed opening of most Parks' revenue-generating facilities and services. Consequently, Parks projected a significant deficit in 2020.

The COVID-19 pandemic, in addition to the County's commitment to advance health and racial equity, has necessitated a shift from traditional parks use to new means of service provision. With this context—and sustainability—in mind, Parks has taken a facility-focused approach to meet the 2021 budget proposed levy target. Continued temporary facility closures will result in savings for seasonal labor, utilities, and commodities/services. This approach allows Parks to preserve its full-time workforce, and to flexibly distribute staff throughout the department.

Wehr Nature Center has operated with staff from both Milwaukee County Parks and UW-Extension defined by the "Nature in the Parks" contract. The 2020 budget included a reduction in the contract value, and in 2021 the function of the "Nature in the Parks" contract will transition within the county. Personnel departures in 2020 and the reorganization of UW-Extension as a division of UW-Madison provided an opportunity to refocus and centralize Wehr operations within Milwaukee County Parks. To maintain operations at the facility, expenditures will increase by \$30k to support the creation of one Horticultural Director, three Park Naturalists (one unfunded), and one Office Assistant 3 to offset the Nature in the Parks contract.

The 2021 budget includes moderate revenue increases primarily within golf and marina operations. Golf permit fees for most 18-hole and 9-hole rounds will increase by \$2 and \$1 respectively. Golf permit fees were last increased in 2018 and this increase brings our fees in line with comparative courses in our market. Marina slip rentals will increase by 2% in 2021. Boat launch fees will increase across all categories. Fees for boat launching were last increased in 2010.

Facility closures that occurred in 2020 will continue throughout 2021 at McCarty pool, Jackson pool, Grobschmidt pool and Hales Corners pool. The indoor pool at Noyes is not planned to reopen until the fall of 2021. The 2021 budget includes funding for lifeguards at Bradford Beach.

In consideration of the backlog of anticipated hiring requests for 2021, Vacancy and Turnover increases by \$344,000.

The same fourteen (14) wading pools and seven (7) splash pads operated in 2020 will continue operations in 2021 for a budgetary savings of \$124,000. The location of these wading pools and splash pads were determined through an analysis of population density and demographics to ensure an equitable distribution of water-based recreational resources.

The 2021 budget allocates \$40,000 for the implementation of a Parks workforce development program ("UpLift") which was cancelled in 2020 due to COVID-19. The purpose of this program is to advance diversity within the Parks workforce, increase access to Parks employment for underserved communities of color and concentrated poverty, and create a new career pipeline opportunity for traditionally underserved individuals.

Facility closures due to COVID-19 resulted in full time staff redeployment between facilities to reduce expenditures. Staff at Boerner Botanical Gardens were deployed to the Mitchell Park Conservatory during the winter months and conversely the Mitchell Park staff assisted with maintaining Boerner in the spring and summer. An appropriation of \$272,059 is included to supplement seasonal staff funding, which may include reopening aquatic facilities scheduled to be closed due to fiscal constraints and/or COVID-19 pandemic concerns. Parks staff will provide a report to the County Board of Supervisors for consideration in the March 2021 cycle on the recommended use of the additional funds after more information on the impact of the pandemic on park operations can be determined.

2021 Staffing level changes

- 1.0 FTE Engineer is created to expand capacity for plan review of park specific partner projects funded through an agreement with the Milwaukee Metropolitan Sewerage District authorized in File #20-186.
- 1.0 FTE Contract Management Assistant is created.
- 1.0 FTE Sr. Budget & Management Analyst position is created, offset by abolishing 1.0 FTE Parks Operations Analyst and 1.0 FTE Office Assistant 3.
- 4.0 FTE (1.0 FTE Horticultural Director, 3.0 FTE Parks Naturalist (one unfunded), and 1.0 Office Assistant 3) are created to offset the expiration of the UW-Extension Nature in the Parks contract.

Summary of service level changes

- UW-Extension Nature in the Parks contract expires and positions will transition into Parks department at an expense of \$30,000.
- Fee increases for golf permits, marina slip rentals, boat launch fees and miscellaneous other fees increase revenue by \$225,000.
- Aquatic facility closures at the following outdoor pools McCarty, Jackson, Grobschmidt and Hales Corners. Indoor pool opening at Noyes will be delayed until the fall of 2021.
- Continued wading pool level of service from 2020 reducing 28 wading locations to 14 wading locations for a savings of \$124,000.
- Implementation of Parks' workforce development program, UpLift, (cancelled in 2020 due to COVID-19) to increase access to Parks employment to underserved communities of color at an expense of \$40,000.
- Funding in the amount of \$65,000 is included for year-round operations at Mitchell Park Horticultural Conservatory and Boerner Botanical Gardens horticultural facilities, which may include increased expenditures for seasonal staffing.

A safety study at McKinley Beach will be performed and shall include information related to the prevention of drownings, the conditions of the water and its currents, the condition of the beach, any remediation efforts that should be executed by Milwaukee County, and any other relevant findings. Parks shall provide an initial report to the County Board of Supervisors by the March 2021 cycle, including an estimate of any costs associated with completing the study. A final report shall be provided to the County Board of Supervisors by the May 2021 cycle. \$10,000 is appropriated for professional assistance if needed.

Parks will institute a non-resident fee schedule at Cool Waters Aquatic Park, Schulz Aquatic Park, and Pelican Cove. The nonresident fee shall be an additional \$2 for adults and \$1 for children. The anticipated revenue from this increase is approximately \$9,000 and shall be used to supplement seasonal staffing needs.

Parks will increase boat launch fees (see table on page12) and institute a boat launch fee for vessels greater than 26 feet in length. The anticipated revenue from this increase is approximately \$6,750 and shall be used to supplement seasonal staffing needs and/or make improvements to the launches or ancillary facilities such as fish cleaning stations.

Strategic Program Area 1: Administration, Finance & Operations

Service Provision: Discretionary

Strategic Overview:

The Administration & Planning Division is comprised of the Director’s Office, Marketing and Communications, Finance, Fund Development, Engagement, Contract Management, Safety, Security & Training, Planning, and serves as a liaison to both Human Resources and Risk.

The Director’s Office is the public face of the office, providing the overall department management, guidance and communication on policy, strategy, operations, and programs. Additionally, the Director’s office is focused on special projects, external relationships, communications, and engagement with the Board of Supervisors.

Marketing & Communication oversees marketing and public relations for the park system and its facilities, events, services, and front desk reception. This section also manages branding, marketing strategy, promotion, social media, media relations, print and digital marketing, web administration, content development, and graphic design.

Finance is responsible for the proper and timely reporting of Parks’ financial transactions in accordance with Generally Accepted Accounting Principles and following Governmental Accounting Standards for operating and trust fund accounts. This section manages purchasing and receiving of goods and services, requests for payment of obligations and invoices, recording of revenues, receivables and deferrals, petty cash management, and the proper reporting of fixed assets in accordance with County policies.

Fund Development leads the department in the acquisition of donations, supports donor campaigns, aids in prospecting and soliciting, supports Parks’ Community Project Request process, manages sponsorships, and supports grant development.

Engagement manages volunteers and friends’ groups to support Parks services. This section also manages volunteer opportunities for external organizations, subsidized youth worker programs, and is the liaison to The Park People of Milwaukee County.

Contract Management oversees the development and compliance of Parks’ agreements, memos and letters of understanding, easements, management agreements, and other contractual documents. These tools outline the obligations and opportunities, are building blocks with external partners, and support public-private and intergovernmental relationships.

Safety, Security, & Training maintains safety and order in Milwaukee County Parks through interactions with patrons, various law enforcement and fee compliance tasks, and park neighbors. Additionally, this section oversees training and

professional development for Parks employees, administers the County Learning Management System (LMS) for Parks, administers the Park Ranger program, and collaborates with County Risk Management.

Planning provides parks master planning, capital project management, in-house design, and supports the maintenance and acquisition of parkland in accordance with Parks mission. Efforts include property disposition, development review, evaluation of park improvements and resource protection areas, needs assessments, easements, right-of-entry permitting, maintenance of Parks Geographic Information System (GIS), administration of grants, records and archive retention, and evaluation of third-party project requests.

Goals & Objectives:

- Advance marketing and communications plans
- Increase and diversify Parks' audience through engagement
- Expand sponsorship opportunities
- Improve financial tracking methods to more holistically monitor departmental resources
- Update and implement standard contractual processes
- Improve department engagement through improved communication and project specific procedures
- Broaden volunteer opportunities and activities through designated channels
- Advance the development of Parks' procedures within the County's Administrative Manual of Procedures
- Build workforce development and succession plans
- Improve short and long-term capital outlay processes, including major maintenance goals
- Support Parks' performance management goals
- Provide department-wide administrative support for pandemic-response

Strategic Implementation:

Parks will examine the possibility of upgrading and replacing the lighting system at the Humboldt Park tennis courts with high efficiency, LED lights with daylight-sensitive dimmers and timers. Working with the Office of the Comptroller and the Department of Administrative Services, the investigation will include the potential for bond eligibility of the project and any alternative funding sources, including grants. Parks will provide a written report back to the Milwaukee County Board of Supervisors by the March 2021 cycle with its findings and should include the relative priority of such a project in comparison to other capital projects.

The Department of Administrative Services – Procurement Division will release a Request for Proposals (RFP) for the purpose of hiring an expert to conduct a comprehensive sound study at The Rock Sports Complex to ensure that BPC County Land, LLC is complying with noise mitigation requirements set forth in File No. 17-598. Upon completion of the RFP, a recommendation will be provided to the Milwaukee County Board of Supervisors with cost estimates and potential funding options. An appropriation of \$50,000 is included in an allocated account within this non-departmental account to offset potential costs of conducting the comprehensive sound study.

Staffing level changes

- Creation of one (1) Engineer Parks to expand capacity for plan review of park specific partner projects funded through an agreement with the Milwaukee Metropolitan Sewerage District authorized in File #20-186.
- Creation of one (1) Contract Management Assistant
- Creation of one (1) Sr. Budget & Management Analyst funded through the abolishment of one (1) Parks Operations Analyst and one (1) Office Assistant 3.

Strategic Program Area 2: Operations & Trades

Natural Areas Management Ratio <i>Actively managed natural areas as proportion of total natural areas (passive, non-developed,</i>	12%	26%	12%	15%

Strategic Overview:

The Park Operations & Trades Division is responsible for the operation of Milwaukee County Park facilities and is comprised of Operations, Land Resources/Natural Areas, and Skilled Trades.

Operations activities include the management and maintenance of general access to parks, park grounds, trails, land and natural resources, landscaping, and golf course turf maintenance; management and maintenance of natural areas, storm water facility maintenance, sports fields, playgrounds, wading pools, splash pads, picnic areas, agricultural lands, pavilions, and historical parkways; and equipment and fleet maintenance. Additionally, Operations provides customer service and special event support; coordinates with elected officials, partners, citizens, community groups, volunteers, friends groups, other stakeholders, and user groups; and responds to concerns regarding maintenance, encroachments, forestry issues, stream blockages, and safety issues.

Land Resources/Natural Areas provides technical services to meet the Parks stewardship obligations for significant natural resources on approximately 15,300 acres of Parks land. This includes coordinating department-wide efforts to protect, manage, and interpret natural resources and implementation of the agency's Ecological Restoration Management Plans, Urban Forest Sustainability Plan, and Natural Resources Management Plan. Staff also supports volunteer activities related to natural resource management and reviews county development plans for natural resource impacts.

Skilled Trades are responsible for the maintenance, upkeep and improvement of Parks buildings, structures and systems throughout the parks system; ensuring health, safety, and code compliance of park facilities; and providing preventative and corrective maintenance on park assets. Staff supports building and infrastructure systems such as HVAC, electrical, mechanical, carpentry, and plumbing through a combination of in-house and contracted services.

Goals & objectives:

- Provide relevant training opportunities for operations staff
- Expand outreach programming and naturalization/stewardship within the Golf Course properties
- Continue implementation of the Milwaukee County Parks Urban Forestry Management Plan
- Create and implement the Natural Resources Management Plan
- Continue work on Oak Creek Watershed Restoration Plan
- Update Trails Network Plan and continue to expand the Oak Leaf Trail and other trail systems
- Continue implementation of the CityWorks Work Order and Asset Management System
- Provide department-wide operations support for pandemic-response

Strategic Implementation:

The Department of Parks, Recreation, and Culture will work with the Jackson Park Community Association (JPCA) to facilitate the restoration of the baseball practice field at Manitoba Park. The JPCA is planning to complete the restoration through volunteer labor and non-tax levy contributions. A written report will be provided to the Milwaukee County Board of Supervisors by the March 2021 cycle detailing the potential paths forward for restoration of the practice field.

Staffing level changes

- No staffing level changes.

Summary of service level changes

- Continued wading pool level of service from 2020 reducing 28 wading locations to 14 wading locations for a savings of \$124,000.
- Implementation of Parks workforce development program, UpLift, to increase access to Parks employment for underserved communities.

Strategic Program Area 3: Recreation & Business Services

Service Provision: Discretionary

Strategic Overview:

The Recreation & Business Services Division is comprised of Aquatics, Food & Beverage, Horticulture, McKinley Marina, Public Services, Recreation, Golf, Organized Sports, and Special Events. The division seeks to enrich the community by providing recreational services and programming throughout the Milwaukee County Parks system.

Aquatics oversees pool operations, management, and maintenance of indoor and outdoor deep well pools and family aquatic centers. Trained lifeguards staff these facilities to keep swimmers and patrons safe.

Food & Beverage operates and sells food and beverages at 55 facilities throughout the system including South Shore Terrace, the Whitnall Park Beer Garden, the Vine at Humboldt Park, the Traveling Beer Garden series, golf courses, ice rinks, horticulture facilities, pool and aquatics facilities, recreation centers, and events. In addition, the food & beverage team offers catering options in conjunction with golf outings and other facility rentals.

Horticulture includes Boerner Botanical Gardens, Wehr Nature Center, and the Mitchell Park Conservatory (the Domes), as well as the Mitchell Park Greenhouse Complex. These facilities provide an opportunity for visitors to experience nature in both formal and natural environments, through passive recreation or through educational offerings. They also offer rental rooms, on-site facilities, and serve as host to special events.

McKinley Marina operates, manages, and maintains the marina infrastructure including floating docks which house 655 slips for season-long tenants and transient boaters, buildings, grounds, and the marina basin. The marina offers slip rentals, fuel sales, launch permits, and storage space for rent on a seasonal basis.

Public Services facilitates the rentals of park pavilions, picnic shelters and open space picnic areas. This area is responsible for the sale of disc golf permits, dog park permits and all on-line boat launch permits.

Recreation encompasses the Kosciuszko and Martin Luther King, Jr. Community Centers, the Wilson Park Recreation Center, and the Milwaukee County Sports Complex. Recreation manages, operates, and maintains these facilities, while providing a variety of recreational opportunities including sports leagues, exercise areas, room rentals, camps, classes, trainings, and events.

Golf oversees golf course operations and management, clubhouse management, facilitation of golf tournaments, outings, leagues, and merchandise sales at 14 courses. PGA Professionals provide expanded services at the six main courses.

Organized Sports and Special Events manage the permitting and coordination of organized sports leagues, athletic field rentals, courts and special events.

Goals and objectives:

- Maintain concessions through improved services and offerings.
- Increase opportunities at horticulture facilities through increased programming, special events, and concessions sales.
- Continue implementing Parks Recreation Management Software and Point of Sale System (POS) with the expansion of the on-line sales platform to include picnic site rentals for the 2021 picnic season.
- Continue improving the quality of user/customer service interaction.
- Provide department-wide recreational support for pandemic-response.

Strategic Implementation:

Staffing level changes

- Creation of one (1) Horticultural Director funded through the expiration of the UW-Extension Nature in the Parks contract in 2021.
- Creation of three (3) Park Naturalists (1 unfunded) funded through the expiration of the UW-Extension Nature in the Parks contract in 2021.
- Creation of one (1) Office Assistant 3 funded through the expiration of the UW-Extension Nature in the Parks contract in 2021.

Summary of service level changes

- UW-Extension Nature in the Parks contract expires and positions will transition into Parks department at an expense of \$30,000.
- Fee increases for golf permits, marina slip rentals, boat launch fees and miscellaneous other fees increase revenue by \$225,000.
- Aquatic facility closures at the following outdoor pools McCarty, Jackson, Grobschmidt & Hales Corners. Indoor pool opening at Noyes will be delayed until the fall of 2021.
- Funding in the amount of \$65,000 is included for year-round operations at Mitchell Park Horticultural Conservatory and Boerner Botanical Gardens horticultural facilities, which may include increased expenditures for seasonal staffing.

Parks will coordinate and organize a food truck event during at least two weekends in summer 2021. At least two of these events will occur in a parking lot near Bradford Beach or McKinkley Marina. This amendment does not supersede the ability of the Milwaukee County Parks Director from holding food truck events at other locations throughout the Milwaukee County Parks system in 2021. Food truck vendors shall prioritize new and ethnically diverse food offerings that do not compete with current Milwaukee County partners or vendors at the Lakefront. Operation of the events shall conform to all public health guidelines and Milwaukee County guidance on the COVID-19 pandemic. Parks shall provide a report back to the Milwaukee County Board of Supervisors by the March 2021 cycle with an update on the planning process and an estimate of potential revenues generated through the event.

Parks will institute a non-resident fee schedule at Cool Waters Aquatic Park, Schulz Aquatic Park, and Pelican Cove. The nonresident fee shall be an additional \$2 for adults and \$1 for children. The anticipated revenue from this increase is approximately \$9,000 and shall be used to supplement seasonal staffing needs.

Parks will increase boat launch fees to the amounts listed in the table below. Parks shall institute a boat launch fee for vessels greater than 26 feet in length, also indicated in the table below. The anticipated revenue from this increase is approximately \$6,750 and shall be used to supplement seasonal staffing needs and/or make improvements to the launches or ancillary facilities such as fish cleaning stations.

Milwaukee County Parks Boat Launch Fees			
Fee	Interval	2020	2021
Marina-McKinley, Launch No Motor	Daily	6.75	8.00

Mitchell Park Horticultural Conservatory

Parks will issue a Request for Proposal (RFP) related to the lease of a greenhouse at the Mitchell Park Horticultural Conservatory (Domes) to a private entity for the purpose of propagating hemp clones. Parks shall provide a report to the Milwaukee County Board of Supervisors by the end of January 2021 with an update on the status of the RFP and options for moving forward.

Per Milwaukee County Ordinance 47.32 current fees for Mitchell Park Horticultural Conservatory are included in the table below. Free admission is provided to Milwaukee County residents on the first (1st) Thursday of every month, excluding major holidays. The Parks Director is authorized to adjust the dates of free admission as needed.

Category	County	Non-County
Adults (18+ yrs)	\$ 7.00	\$ 8.00
Youth (6-17 yrs)	\$ 5.00	\$ 6.00
Students (w/college ID)	\$ 5.00	\$ 6.00
Adults with Disabilities	\$ 5.00	\$ 6.00
Seniors (60+ yrs)	\$ 5.00	\$ 8.00
Children (0-5 yrs)	Free	Free

Parks fee schedule detailing the 2020 Adopted and 2021 Adopted rates are attached to the 2021 Budget File No. 20-733. Parks may not increase any fee during the year without approval by the Milwaukee County Board of Supervisors.
