Department Mission:

Ensure that Milwaukee County, its officers, employees and agents adhere to all applicable legal requirements, and minimize personal and fiscal liability for the aforementioned group.

Department Description:

The Office of the Corporation Counsel (OCC) serves as chief legal counsel to all Milwaukee County departments and elected officials. Its main functions are:

- Providing general legal advice to reduce risk and avoid costly litigation.
- Providing quasi-prosecutorial functions in mental health, guardianship and protective placement, open records requests, and public meetings.
- Providing litigation defense services that are billed to the Wisconsin County Mutual Insurance Corporation, the OCC's sole revenue source.
- By County ordinance, this office also serves as chief legal counsel to the Milwaukee County Employees Retirement System.

Major Changes in FY 2021

OCC is budgeted with a full staffing model of highly qualified attorneys and support staff, with skill sets applicable to a wide variety of legal practice areas. In 2021, OCC will implement the second phase of its legal practice management system, using an existing tool, OnBase, that will allow the OCC to:

- Provide its clients with the level of service they need and demand by using database tools, a centralized legal opinion library, and analytics to demonstrate efficacy.
- Manage documents by uploading, classifying and sharing information, and having the ability to search for specific materials related to any ongoing matters.
- Eliminate reliance on an internal drive that has security risks and capacity limitations and get rid of a backlog of over 20,000 paper files to electronic, that will now be saved to a secure, cloud-based server.
