**Strategic Overview:**

The Office of Government Affairs seeks to represent the interests of Milwaukee County, including seeking increased state and federal funding for County services.

**Strategic Implementation:**

Funding is provided for two full-time positions to represent the County’s interests before other units and levels of government. In the 2022 budget, there are additional funds to procure contractual services to support activities at the state and federal level. Additionally, during 2022, the Office of Government Affairs will begin conversations with other urban counties in Wisconsin regarding the potential of forming an Urban Counties Association of Wisconsin to have an organization which represents the interests of urban counties. Government Affairs staff will provide a status report no later than the April 2022 meeting cycle to the County Board of Supervisors.
