Department Mission:

Milwaukee County's mission is to enhance quality of life through superior public service, with the vision of achieving racial equity and making Milwaukee County the healthiest county in Wisconsin. The Milwaukee County Sheriff's Office (MCSO) is a constitutional office responsible for law enforcement and pre-trial detention services. MCSO works to foster a strong and safe Milwaukee County, following the guiding principle that "we are held to a higher standard."

Key concepts that MCSO promotes are:

- To restore honor, integrity, and trust to MCSO.
- To operate a safe and humane agency where citizens, staff, and occupants are treated with dignity and respect.
- Ensure accountability, efficiency, and effectiveness in law enforcement operations.

Department Objectives:

- Support the vision of Milwaukee County by achieving racial equity and making it the healthiest county in Wisconsin by continuing to transform the Sheriff's Office through superior training, improved policies/procedures, providing comprehensive mental health support programs to staff, and enhancing collaboration on all levels.

- Increase representation, which ensures more perspectives in decision-making, and equitably compensate individuals. This administration has demonstrated inclusivity by implementing racial, ethnic, and gender diversity among MCSO's command staff.
- Expand the already diverse and inclusive workforce by hiring staff that are representative of county residents.
- Customer-focused design that encourages services are equitably provided to the public and the occupants in the Milwaukee County Jail (MCJ).
- Improved performance and practices that support equitable and sustainable decision-making.

Department Description:

MCSO is a full-service law enforcement agency charged with maintaining the peace within Milwaukee County and operating the Milwaukee County Jail. MCSO's responsibilities include the safe and humane operation of the Milwaukee County Jail; providing police services to Milwaukee County's courts, airports, parks, expressways, and major facilities; conducting criminal investigations; effecting arrests and warrants; serving process papers; and extraditing criminals.

MCSO's Police Services Bureau is responsible for patrolling Milwaukee County's grounds, airports, parks and expressways, serving civil and criminal process, and providing security and bailiff services to the Milwaukee County Circuit Court at each of its facilities. The Police Services Bureau also encompasses specialty units, including the Special Weapons and Tactics Team (SWAT), the Mobile Response Team (MRT), the Explosive Ordnance Disposal Unit (EOD), the Maritime Unit, the K-9 Unit, and the Motor Unit.

The Detention Services Bureau is responsible for security operations within the Milwaukee County Jail, a high-security detention facility with bed space for 960 persons in custody; the provision of health and human services to persons in custody; certain supporting functions, including property management and the documentation, processing, and entry of detention records; and coordination with municipal partners to facilitate Milwaukee County's centralized arrest and booking process.

The Investigative Services Bureau is responsible for investigating criminal acts occurring within MCSO's patrol jurisdiction; conducting specialized investigations in coordination with federal, state, and municipal agencies and task forces; collecting, analyzing, and acting upon criminal, correctional, and counter-terror intelligence; administering all information management systems supporting MCSO operations, including the Record Management System and Corrections Management Software; conducting inspections of agency field and detention operations; and conducting employment background investigations for MCSO, the Milwaukee Fire and Police Commission, and other county agencies upon request. In 2023, Investigative Services will also house the Crisis Assessment and Response Team (CART).

An organization of MCSO's mission and size requires supporting strategic, administrative, and regulatory compliance infrastructure. These services are located within organizational unit 4002 - Administration and Compliance, including the executive office of the elected Milwaukee County Sheriff, the Office of Legal Affairs and Compliance, the Office of Public Affairs and Community Engagement, and the Fiscal Operations Division. The specialized service areas housed within Administration and Compliance are responsible for devising and implementing agency policy; coordinating the agency's operations with commanders in the field and in the jail; ensuring the agency's adherence to all applicable laws and regulations, to include the provision of training services, the oversight of internal investigations, and the management of public records requests; directing the strategic, financial, and clerical functions that support agency operations; managing agency communications and intergovernmental relations; advancing correctional and criminal justice reform; and maintaining constant engagement in the life of the greater community. Multiple specialized units, including the Internal Affairs Division, Public Records Unit, and Jail Population Analysis Program are housed within Administration and Compliance.

Major Changes in FY 2023

In Fiscal Year 2023, MCSO will have several changes to maximize effectiveness, efficiency and accountability in the delivery of essential public safety services.

Further, 4.0 FTE vacant Correction Officer positions are abolished, and MCSO is creating a pool of funding for Correctional Officer Hourly positions. This funding will support eight to ten part-time positions that would be recruited from previous staff that are already certified and may not desire to work in a "full-time" capacity. This program would

target retirees and resigned staff who would like to work on a part-time basis. The value of training that is lost when Officers leave is financially draining. Time is needed to train new staff, and there are the costs of the time needed for an instructor to teach and for the time that the instructor is not working their regular assignment. This is a cost-neutral addition.

Included the 2023 budget is \$10,000 to fund a Peer Support group for MCSO staff to enhance resiliency and to provide support for one another. This program is designed as a resource to provide support to staff members experiencing personal and work-related stress or to provide support during and following critical or traumatic incidents resulting from a job-related action.

The MCSO vacancy and turnover has been increased \$1,089,418 in correlation with the ongoing and significant increase in vacancies in various classifications. The V&T percentage was 7.8% in the 2022 adopted budget and has increased to 9.7% in the 2023 Budget.

Tax levy is increased by \$2.0 million in 2023 primarily to account for anticipated salary increases, impacts of a change in the County's vacation policy, and transition of funds from ARPA to tax levy for Correction Officer pay. Increases are offset by increased vacancy and turnover assumptions, reductions in commodities and services, and a reduction in FTE.

Strategic Overview:

The administrative and compliance services of the Milwaukee County Sheriff's Office directly advance Milwaukee County's vision of achieving increased public health through racial equity. The centralized coordination, strategic leadership, and day-to-day operational management provided by this strategic program area facilitate agency services that affirm equal justice under the law; the protection of all residents of Milwaukee County, including communities historically marginalized or mistreated by the criminal justice system; and meaningful systemic reforms that complement MCSO's unyielding commitment to core public safety services

Strategic Implementation:

In the 2022 Adopted budget an additional 1.0 FTE Deputy Sheriff Director position was added to provide strategic leadership and operational support to the agency's detention services and to establish greater parity in executive leadership with the Milwaukee County Community Reintegration Center.

Ensuring the proper accounting of all agency funds is an essential accountability-focused role of this strategic program area. To this end, the 2023 budget includes 1.0 FTE Supervisor Accounting, who will provide operational management of the agency's increasingly complex network of in-person accounting services, the auditing of transactions, and public-facing electronic payment kiosks. 2.0 FTE Fiscal Assistant 1 positions are abolished to create this position.

Strategic Implementation:

Existing funding for MCSO's body camera program is housed within this strategic program area. Funding for body cameras remains flat to the 2022 budget to support the continuation of body cameras throughout the agency.

10.0 unfunded FTE Deputy Sheriff 1 positions are included in the 2023 budget to facilitate the hiring of additional recruits as retiring members transition out of the agency, thereby avoiding reliance on dual fills.

This strategic program area is responsible for the safe, humane, and highly accountable operation and management of the Milwaukee County Jail, centralized booking and court staging (both in-person and virtual), and the transportation of persons in custody (to include the administration of the associated contract with the private transportation provider Allied Universal).

Strategic Implementation:

\$713,356 of ARPA funding is included in the 2023 Sheriff's Office budget to provide continued support for a Correction Officer reallocation of \$3.00/hour that was approved in File 22-821. The 2022 Sheriff's Office Budget included \$1.5 million of ARPA funding for Correction Officer pay. The variance between the 2022 and 2023 ARPA allocation reflects a transition in costs to tax levy, as part of a phased approach to reduce reliance on ARPA for the cost of the Correction Officer reallocation.

Correctional Officer Hourly positions are being created through the abolishment of 4.0 FTE vacant Correctional Officer positions. This program will target retirees and resigned staff who would like to work on a part time basis. This is a cost-neutral addition to the 2023 budget.

The duties of the search clerk were switched from the responsibility of the Jail Records Clerical Specialist staff to the property room and its staff. Due to the change in duties, 2.0 FTE vacant Clerical Specialist positions are abolished, and 2.0 FTE Store Clerk 1 positions are created. This change is cost neutral because both positions are paid the same salary.

The provision of accessible and low-cost phone and video visitation services to persons in custody is a prime goal of MCSO, in order to facilitate lawful communication between persons in custody and family and friends. In 2022 the RFP for Communication Services was complete and ICSolutions was awarded the contract. ICSolutions will in addition to phone and video visitation services also provide tablets to persons in custody at the MCJ, which will further maximize engagement between persons in custody and the broader community. A \$125,000 reduction in phone charge revenues is included in the budget to support a reduction of phone charges to residents.

The MCSO will reinstitute the \$500 incentive for Weapon Officers who are also agency CDL drivers. The MCSO would like to encourage the best officers to maintain these certifications. Any employee who does not have all the proper certifications for the entire year shall be paid on a prorated basis for the duration of the year.

Effective pay period 10, beginning April 30, 2023. Correctional Officer pay grades shall be reallocated to provide a \$1.50 per hour increase for each step in the respective range. The affected classifications shall be the same as those in File No. 22-821, in which the County Board reallocated Correctional Officer pay grades in response to significant difficulties in attracting and retaining these critical positions. These affected positions will also receive any general increases scheduled in 2023. An appropriation of \$1,550,273 is included in Org. 194-1972 Central Salary Adjustment for the cost to reallocate the affected pay grades. The Office of Strategy, Budget, and Performance shall submit an appropriation transfer for approval in 2023 to move the funds.

An appropriation of \$15,000 is provided for electrical engineering and technology consulting to assist in conducting a feasibility analysis related to non-contact in-person visitation at the jail, as outlined in File No. 22-981.

Strategic Overview:

The Expressway Patrol provides efficient, responsive, and accountable law enforcement services for the 158 miles of federal and state expressways located in Milwaukee County, county parks and parkways, and other county facilities. Tax levy support is provided for state-mandated expressway patrol services through Expressway Policing Aids (EPA) (ss59-84(10)(b)) in the amount of \$1,023,900 and General Transportation Aids (GTA) program (ss86.30) in the amount of \$2,766,092. Milwaukee County is the only county in Wisconsin that is statutorily responsible for patrolling its expressways (ss 59.84(10)(b)). The State Highway Patrol has primary responsibility for expressway enforcement in all other Wisconsin counties.

Strategic Implementation:

The reclass of 1.0 FTE Administration Assistant to 1.0 FTE Assistant Office Supervisor. The Assistant Office Supervisor’s primary responsibility is to assist the Divisional Commander, the Lieutenants, and the Sergeants in their administrative tasks and functions. The Assistant Office Supervisor oversees the Clerical staff, delegates their daily tasks and assignments, provides training, authorizes scheduling and timesheets, assists Patrol deputies in uploading evidence (videos and photos) for files presented to the District Attorney’s Office, creates, maintains, and submits bureau requisitions for all divisional and specialized unit purchases and acts as a Liaison with Sheriff’s Administration, Fiscal, Department of Transportation and the Highway Department to ensure efficient and effective communication.

Phillips Youth and Family Justice Center. Specific responsibilities include bailiff assignments in five separate buildings, escorting persons in custody to court appearances, and responding to emergencies occurring in and around court facilities.

Strategic Implementation:

To align staff with current assignments 2.0 FTE Deputy Sheriff Sergeants are moved to other areas in the agency. 1.0 FTE is moved to Expressway Patrol and 1.0 FTE is moved to General Investigations.

In addition to court posts, the Courts Division must also staff the Municipal Court in the Criminal Justice Facility (CJF). Positions for the Municipal Court were staffed under the City-County agreement in which the City offered funds to help build the CJF. That agreement was renewed in 2014 and the positions continue to be staffed. As the CJF phased out sworn officers, it became necessary for the Courts Division to assume the responsibility of Visiting Control Security.
