Department Mission:

The Office of the Comptroller maintains Milwaukee County’s accounting books, monitors and reports on budget versus actual fiscal results, prepares annual financial reports of the government and government agencies, and analyzes proposals for the use of County funds. The Office works to ensure that fiscal decisions are made based on sound financial information.

Department Description:

The Office of the Comptroller is made up of seven service areas:

1. Administration/Fiscal Services provides management of the Office, reviews fiscal notes and contracts, and conducts fiscal projections and special studies.
2. Central Accounting prepares countywide monthly financial reports, publishes the Annual Comprehensive Financial Report (ACRF), and maintains various accounting systems.
3. Central Payables establishes countywide vendor payment procedures.
4. Central Capital issues debt and monitors departmental capital programs financed with debt.

5. Central Payroll is responsible for countywide payroll procedures, payroll processing and employee expense management.
6. Audit Services conducts performance audits of Milwaukee County programs, operations, contractors, and vendors; maintains a hotline function to receive and investigate allegations of fraud, waste, and abuse in County government; and performs monthly bank reconciliations for departments across Milwaukee County.

Research Services provides research and analysis, drafts resolutions and ordinances, and provides independent and nonpartisan research services for the County Board and the County Executive upon request.

Major Changes in FY 2023

The Office of the Comptroller's has an increase in 2023 tax levy compared to 2022 due to a critical need to maintain, at a minimum, current staffing levels. The tax levy increase allows for retention of mission critical positions which will allow; continued support and administration of the Enterprise Resource Planning (ERP) financial system, INFOR. that was released countywide in June of 2021; support financial administration of the American Rescue Plan Act (ARPA) funding of \$183 million; and support diversity and inclusion throughout the department. To keep the department's tax levy increase to a minimum, the 2023 budget maintains a high vacancy and turnover of \$280,657, which is 7 percent of total salaries.

The department maintains its commitment to the County's racial equity goals and continues to implement racial equity initiatives. A team of interested staff are being appointed to review racial equity initiatives. This team will engage managers in meaningful opportunities to better understand and learn about inclusive leadership and provide opportunities for managers and team leads to explore best practices for creating an inclusive workplace culture. The Comptroller will hold managers accountable for the retention and advancement of Black, Indigenous, and People of Color (BIPOC).

Strategic Overview:

Pursuant to Milwaukee General Ordinances, the Central Payroll SPA is responsible for countywide payroll processing and ensuring all employees are paid accurately and timely. This SPA is responsible for administration of the County's payroll and time reporting system (Dayforce), and the County's expense management system (INFOR). This SPA operates with the goal of identifying processes that are inconsistent across the County and proposing improved processes to maintain and improve employee morale and thus, improve quality of work. Also, this SPA identifies solutions to improve access to pay in ways that meet the needs of the ever-changing workforce. While not a direct responsibility, this SPA monitors the accuracy of data entered in the system so departments have access to vital information, including racial demographics of the County workforce.

Strategic Implementation:

The SPA continues to administer the County's human resource information system through Ceridian's Dayforce application, and to support implementation of various payroll and human resources modules including Human Resources, Onboarding, Recruitment, Learning Management, Compensation Management, and likely Benefits Administration in the future.

Strategic Overview:

Pursuant to Wisconsin Statutes §59.255(2)(i), the Audit Services Division (ASD) is responsible for performing all audit functions related to County government. These functions are to be performed in accordance with government auditing standards issued by the Comptroller General of the United States.

Strategic Implementation:

The Audit Services Division conducts and issues performance audits that focus on reviewing internal accounting and administrative controls, compliance with applicable laws and regulations, economy and efficiency of operations, and effectiveness in achieving program results. A Diversity, Equity, and Inclusion review is conducted for each performance audit, and relevant findings are included in audit reports.

ASD also manages the countywide audit services professional service agreement with the County's external CPA firm. In 2021, a five-year professional service agreement was executed with the firm of Baker Tilly US, LLP, to conduct annual audits of the County's financial statements and those of the Employee's Retirement System, perform the annual Single
