Department Mission:

Together, creating healthy communities.

Department Vision:

Empowering safe, healthy, and meaningful lives.

Department Description:

The Behavioral Health Services Division (BHS) consists of Management and Support Services, Mental Health Emergency Center & Inpatient Services, Crisis Intervention Services, Community Access to Recovery Services, and Youth Mental Health Services (Wraparound Milwaukee).

Major Changes

- 4.0 New paid internship positions to support long-term workforce development opportunities. BHS will continue to seek out new grant opportunities to expand and enhance internship opportunities.
- 7.0 FTE new peer support staff to support mobile crisis and community support teams
- Additional administrative positions to support quality and growth in the BHS provider network
- Community Support Program provider rate increase to support high-quality service delivery.
- Continued support for Mental Health Emergency Center and other partner agencies
- New Suicide Prevention Coordinator position
- Non-Emergency Medical Transport Services provided under Crisis Transport Team to support connections between levels of care during psychiatric crisis events.
- Patient revenue is increased by \$3.4m due to increases in Comprehensive Community Service and Wisconsin Medicaid Cost Report (WIMCR) revenue.

Mental Health Board - Behavioral Health Services (630)

Agency No. **630**
Fund: **10077**

- This budget does not include revenue related to the American Rescue Plan Act (ARPA) or Opioid Settlement funds. Those funds are allocated outside of the annual budget process. BHS anticipates substantial project funding under both ARPA and Opioid Settlement funds in 2024.

Strategic Overview:

The Mental Health Emergency Center is an innovative public-private partnership that looks to address the crisis mental health needs of vulnerable residents closer to where they live. The facility operates as a psychiatric emergency room and micro-hospital to stabilize patients in need of emergency psychiatric services.

This service area also includes costs for placements at partner psychiatric hospitals such as Granite Hills, Mendota Mental Health Institute, and Winnebago Mental Health Institute.

Strategic Implementation:

For the 2024 budget narrative, MHEC and inpatient charges are combined into one service area. These had previously been reflected in service area 2 and service area 3. Previous years' financials have been restated to reflect the combined financials for these program areas.

The 2024 budget anticipates \$6,265,804 annual membership payments to MHEC, and \$9.7m in funding for inpatient psychiatric placements at partner facilities based on current inpatient placement costs. Revenue is decreased by \$500,000 to account for decreasing cost report revenue related to partial-year Milwaukee County hospital operations in FY2021 prior to closure.

Additional Program Details: "MHEC admissions" data only includes clients under Chapter 51 Emergency Detention.

Strategic Program Area: Crisis Intervention Services

Service Provision: Mandated

Strategic Overview:

Crisis Intervention Services includes the following service options: Access Clinics, Milwaukee Crisis Mobile, Community Assessment Response Team (CART), Community Consultation Team (CCT), Team Connect, Crisis Resource Centers (CRC), Crisis Stabilization Facilities, and Community Linkage and Stabilization Program (CLASP), Crisis Care Management, and the Crisis Transport Team

Strategic Implementation:

For the 2024 budget, Crisis Intervention Services are separated out into a separate program area. In the 2023 budget document, these services were included with Community Access to Recovery Services division programming in Service Area 4. Previous years' financials have been restated to reflect the combined financials for these program areas.

2024 Crisis Intervention expenditures are increased by \$0.3m to fund the creation of 5.0 FTE peer specialist positions and 1.0 FTE Lead Peer Specialist to support Milwaukee Mobile Crisis.

2024 budgeted revenue is decreased by \$1.1m due to updated billing assumptions for mobile crisis, access clinics. Anew Non-emergency Medical Transport billing for the Crisis Transport Team will enable the Crisis Transport Team to receive reimbursement for transferring clients in psychiatric crisis between levels of care to best meet their needs.

Other 2024 Crisis Intervention Position actions include:

- 1.0 FTE Suicide Prevention Coordinator is created to lead suicide prevention initiatives.
- 1.0 FTE vacant Clinical Program Psychologist is eliminated based on staff supervision needs.
- 1.0 FTE vacant Staff Psychiatrist is reclassified to 1.0 FTE Advance Practice Nurse Prescriber based on ongoing crisis clinic staffing needs.

Strategic Overview:

Community Access to Recovery Services Division includes, Comprehensive Community Services (CCS), Community Support Program (CSP), Targeted Case Management (TCM), Community Base Residential Facilities (CBRF), and Milwaukee County’s community Substance Use Disorder Service program is an alcohol, drug treatment, and recovery service system.

Strategic Implementation:

2024 CARS budget continues to support provider partner agencies and expansion of services.

The 2024 CCS budget includes a \$3.6m expenditure increase based on ongoing trends in cost per client care. Enrollment is expected to remain flat at 2,000 adult participant. Overall CCS enrollment continues to grow with increased enrollment for youth consumers (those increases are reflected in Service Area 5).

AODA service costs are increased by \$1.1m to support increased costs in Bridge Housing and Detox services. These increases are offset by increased state and federal grant funding. Other AODA program expenses are adjusted based on current utilization trends.

The budget includes a 5% rate increase for certain Community Support Program provider clinician levels including bachelors degree, masters degree, and peer support services. Overall CSP budget is reduced by \$0.8m to reflect recent experience. Grant revenue in CSP is reduced by \$1.0m due to the expiration of the 4-year Assisted Outpatient Treatment grant. This program continues in 2024 with a shift to Medicaid billing.

The 2024 CARS budget includes \$1.3m reduction in internal overhead charges allocated to this service area.

Funding for the Office of Consumer Affairs (OCA) is reduced by \$315,000. This reduction brings the OCA budget in alignment with actual expenses. Savings from this budgeted reduction is offset by cost increases related to creating new internal peer support positions in the Milwaukee Mobile Crisis Team (this is budgeted in Service Area 3).

BHS will fund a Community and Family Resource Liaison to ensure that effective resources are offered to families in connection to BHS services. This role will be a part of the BHS staff team (CARS or another program as appropriate) to facilitate connections to services. The \$60,000 expense related to this initiative is funded through BHS reserve funds.

The following adjustments are made to CARS budgeted personnel:

- 1.0 FTE Integrated Services Coordinator position is added to support quality oversight and utilization review of the adult group home and community-based residential facility network.
- 1.0 FTE Peer Specialist is created to support the Assisted Outpatient Treatment Program.
- 2.0 FTE Administrative Coordinator are created to help oversee quality in the Comprehensive Community Services network.
- 1.0 FTE Administrative Assistant is created.
- 2.0 FTE vacant Office Assistant positions are eliminated.
- 1.0 FTE vacant staff psychiatrist is eliminated based on ongoing needs.
- 6.0 FTE are quality management moved from CARS to Management and Support Services.

Strategic Overview:

Children’s Community Mental Health Services & Wraparound Milwaukee (WM) is the Behavioral Health Services (BHS) entity that manages the voluntary public-sector, community-based mental health for children, adolescents, and young adults (ages 5-23) in Milwaukee County who have serious mental health or emotional needs. Serving as the umbrella body for a number of supports, all core programs rely on care coordination that promotes parental and youth driven care through the facilitation of the Wraparound Process. Programs create access to a range of supportive services, foster family independence, and provide trauma informed care for children and youth in the context of their family and community.

Milwaukee County Mental Health Clinic - A Medicaid funded outpatient clinic that provides medication management and psychotherapy services to serve youth and young adults enrolled in Wraparound Milwaukee or Youth Comprehensive Community Services (CCS), with a future goal to also serve youth and young adults in the community-at-large.

Wraparound - A Specialized Managed Care Entity that serves families with youth who have serious mental health needs and are at immediate risk of placement in a residential treatment center, juvenile correctional facility or psychiatric hospital. Youth may have system involvement through the Child Welfare and/or Juvenile Justice System. Referrals also come directly from families, schools, service providers, and the Milwaukee Mobile Team.

Comprehensive Community Services (CCS) for Youth - A Medicaid benefit which supports youth and young adults who are coping with either a mental health and/or substance abuse diagnosis across the lifespan. Within CCS, the program Coordinated Opportunities for Recovery and Empowerment (CORE) serves youth ages 10-23 years old who are at high risk for psychosis or experiencing their first episode with psychosis.

Strategic Implementation:

Comprehensive Community Services youth enrollment is expected to increase by 252 youth to a total enrollment 977. This will bring total youth and adult CCS enrollment to an estimated 2,977 total enrollment by the end of 2024. Vendor spending is increased by \$5.4m to meet increasing enrollment projections. This is offset by CCS Medicaid and WIMCR funding.

Wraparound Milwaukee program vendor expenses decrease by \$4.5m base on ongoing enrollment trends. Revenue is decreased by \$7.1m based on current capitated and crisis intervention revenue experience.

Milwaukee County Mental Health Clinic salary expenses increase by \$824,925 due to transfer of clinician positions being transferred into the clinic. Clinic revenue is reduced by \$399,312 based on current utilization trends.

Revenues and expenses related to youth mental health grants is reduced by \$2.7m. Several multi-year grants are set to expire in 2024. Expenses and revenues related to new grant awards will be added to the budget through appropriation fund transfer when a formal notification of award is received.

1.0 FTE Administrative Coordinator is created to support the CCS network.

1.0 FTE vacant Child Psychiatrist position is eliminated.

2.0 FTE vacant Clinical Resource Referral Coordinator position is eliminated with expiring grant funding.

1.0 FTE vacant School Liaison position is eliminated.

1.0 FTE Office Assistant is reclassified to an Administrative Assistant.
