**ADDENDUM NO:** 1

**BID NO:** 2018-33 HEAVY DUTY PARTS WASHERS

**OPENING DATE:** DECEMBER 4, 2018 @ 2:00 PM, CST

**PLEASE NOTE THE FOLLOWING QUESTION(S):**

Do permits need to be applied for?

See Spec 2.3a Yes vendor must apply for any licenses or permits where required by the governing agencies.

Is there going to be someone at the delivery site to unload or do we need to hire riggers?

Vendors will need to unload MTS will not have staff or equipment available.

Here is another question. Are you firm on your delivery date? Most manufactures do NOT stock stainless steel machines.

Specifications: To comply with Specification No. FM-16-18, which is included in this solicitation document. Parts washers must be installed and functioning by **end of January 2019**. (previous timeline indicated Dec 21, 2018 this has been adjusted to allow for lead times on the stainless steel machines).

First question. You are requiring vendors to included install. Usually when trades need to be added to a bid like this vendor are able to come in and do a site visit to assess what type of work will need to be done. Was there a site visit done yet?

Yes, MTS is requiring that the vendor does installs see Section 3 of the bid under Requirements. Vendors must use the **revised bid price sheet** attached to this addendum.

The pre-bid walkthrough will be held on **November 20, 2018 at 9:00 AM**. Meet MTS staff at the Fond du Lac Garage located at 2932 N. 35<sup>th</sup> Street the we will all travel in your own vehicle to the KK Garage at 1710 S. Kinnickinnic Ave. This should last approximately and hour. The pre-bid walk through is not required but is encouraged. There will only be one scheduled pre-bid walk through.

**REVISED BID SHEET 2018-33 -Parts Washers**
