ADDENDUM NO: 3

BID NO: 2018-33 HEAVY DUTY PARTS WASHERS

OPENING DATE: DECEMBER 4, 2018 @ 2:00 PM, CST

PLEASE NOTE THE FOLLOWING QUESTION(S):

- 1) Do you have drawings of the facility and pictures of the final location?

A Walk-Through of the installations sites will be on November 27th. The meeting location will be at the Administration Building located at 1942 North 17th Street at 9 AM. Then, bidders shall travel to the two sites.

- 2) Can the deadline for installation be extended to the end of February?

Yes, the install deadline can be moved to February 28, 2019

ORIGINAL QUESTION:

I read through the addendum and would like to request any drawings of the facility for the install and any pictures of the final location in order to consider install cost. We will be off of work the week of Nov 20th so won't be able to make the walk through but could still provide a quote with a facility drawing and an image of where they will be located. As these machines are not kept in stock and the buy award appears to come in December I would request additional time for delivery be provided (End of February ok?)
