Question #70 – ADDENDUM 2:

Due to the global pandemic, it is infeasible and unsafe to conduct an in-person site visit of MCTS facilities and vehicles. Would MCTS please assemble a set of reference photos and videos so that bidders can get familiar with MCTS facilities, fleet, and existing equipment on buses? Examples of recent remote pre-bid meetings that worked well include:

KAT (Knoxville, TN) – <https://www.youtube.com/watch?v=8Do8KPUspJA>

Intercity Transit (Olympia, WA) – [Box link](#) to photos
