ADDENDUM NO: 1

RFP NO: MM-08-19 JANITORIAL SERVICES

OPENING DATE: OCTOBER 4, 2019 @ 2:00 PM, CST

PLEASE NOTE THE FOLLOWING QUESTION(S) ASKED:

1. In regards to the aforementioned solicitation, does MTS anticipate awarding to more than one contractor or is this a single award?

This is a single award contract. However, Prime contractors may hire subcontractors to fulfill the requirements as part of this RFP.

2. I have about 6 months in janitorial services and 40 years of cleaning as a mother. My question is I'm looking to hire employees for this contract with 3 or more years of janitorial experience. Is it possible that I could still be considered for this bidding opportunity, if so can I try to bid for one of the smallest contract.

MCTS will only be awarding one contract to cover all facilities. Any firm who feels they can meet the requirements of this RFP is welcome to submit a proposal for consideration. If a requirement cannot be met directly, proposers have the option to provide a modified requirement for consideration per the Compliance Matrix section:

“Proposers shall provide alternate requirement language to which they commit to comply. The “CM” will be equivalent to a response of “F” if MCTS deems appropriate and will be reflected in the scoring. Should MCTS not accept the modified requirement, that will also be reflected in the scoring.”
