## Dear Neighbors,

As the 2nd District's newly elected supervisor, I have been working incredibly hard to meet with neighborhood organizations, community leaders and residents. It has been great meeting everyone and hearing your thoughts, concerns and priorities for improving our community.

During the 2017 Budget process, I listened to you and I was successful directing some funding into our district. However, we still have a lot of work to do. Thank you for your support.

Let's get to work!
