Supervisor Vincent to Host Trimborn Farm Community Meeting Following County's Intent to Award Redevelopment Contract

MILWAUKEE – Supervisor Kathleen Vincent will host a community meeting on Thursday, February 26, 2026, from 7:00 - 8:30 p.m. at the Greendale Safety Center (5911 W. Grange Ave., Greendale, WI 53129), to discuss the future of Trimborn Farm following Milwaukee County's public notice of its intent to award a redevelopment contract.

Milwaukee County has announced its intent to enter into a triple-net lease agreement with Virginia Emmons McNaught, through Two Weathervanes LLC, for the adaptive reuse and operation of the historic Trimborn Farm property. The proposal includes historic preservation efforts, expanded educational programming, revenue-generating events, and continued public access.

The Director of Economic Development and representatives from Milwaukee County will provide an overview of the proposal, outline the next steps in the process, and explain what the agreement could mean for the long-term sustainability of Milwaukee County's only historic park. The meeting will also include time for attendees to ask questions and share comments regarding the future direction of Trimborn Farm. Supervisor Vincent issued the following statement:

"This is an important moment for Trimborn Farm. I'm looking forward to discussing the proposed agreement, hearing from residents, and working with County leadership to ensure the future of this historic property is shaped by transparency, community engagement, and long-term sustainability."
