Milwaukee County Youth Commission to Participate in Special Aviation Event Tomorrow

MILWAUKEE – The Milwaukee County Youth Commission will join an exciting aviation event tomorrow, Saturday, August 3rd, organized by Supervisor Kathleen Vincent. The Young Eagles Rally Flight will provide Youth Commissioners with a unique chance to experience the world of aviation firsthand.

The event will take place at the Jet IN located at Milwaukee Mitchell International Airport, 504 E Citation Way, Milwaukee, WI 53207, from 9:00 a.m. to 12:00 p.m. It will feature volunteer general aviators from the Milwaukee area offering flight experiences to the Youth Commissioners in small aircraft. The goal of this event is to inspire a passion for aviation in the young participants and introduce them to potential career opportunities in this exciting field.

“I am excited to provide our Youth Commissioners with this exciting opportunity,” said Supervisor Vincent. “I organized this event to help our young leaders explore new perspectives and gain insights into the field of aviation. My hope is that it inspires a lasting interest in aviation and opens up new career paths for our youth.”

Participants will gather at the Jet IN on the Mitchell Field grounds. The Young Eagles program, known for inspiring young people through aviation, will ensure that each flight is both educational and exciting.

Re-established in May 2022, the Youth Commission serves as the representative body for Milwaukee County youth, providing advisory recommendations on policy and budgetary decisions to the County Board of Supervisors. The Commission is comprised of twenty youth, including at least one commissioner per supervisory district.
