Supervisor Kathleen Vincent to Host Third Budget Town Hall on October 24th

GREENDALE — Milwaukee County District 11 Supervisor Kathleen Vincent will hold her third budget town hall this week to discuss the proposed 2025 Milwaukee County budget. The event will take place this Thursday, October 24th, from 6:00 to 8:00 PM at the Greendale Safety Center, located at 5911 West Grange Avenue, Greendale, WI 53129.

Supervisor Vincent will be joined by County department heads for this informative session, aimed at engaging residents in a discussion about the upcoming budget. This town hall offers an opportunity for constituents to ask questions, express concerns, and provide suggestions, ensuring that their voices are heard during the 2025 budget process.

"I'm encouraging all residents to attend this third and final District 11 town hall," said Supervisor Vincent. "Hearing directly from the people I represent is crucial as we work together on the upcoming budget. The previous town halls have been very informative and have allowed me to hear firsthand the concerns and priorities of our community. I look forward to this session, as I am deeply committed to transparency and engaging the public in shaping the decisions that affect our county."

Residents will have another chance to share their feedback on the proposed 2025 Budget at the Milwaukee County Board of Supervisors Annual Public Hybrid Hearing on Monday, October 28, 2024, at the Zoofari Center. Additional details and registration for the event are available [here](#).
