## Supervisor Vincent Supportive of Southside Dog Park, Will Continue to Advocate for Approval

MILWAUKEE – Yesterday, February 1, 2024, the Board of Supervisors voted to table a [resolution](#) that would allocate funds for the replacement of Runway Dog Park. The resolution was held in the Committee on Finance last Thursday, January 25, on a 4-2 vote. According to state law, contracts paid from a contingency fund must receive prior approval from the Committee on Finance.

Supervisor Kathleen Vincent issued the following statement:

*“As an animal lover and an advocate for communal outdoor spaces, I strongly support the addition of dog parks in Milwaukee County. While I am in favor of allocating funds to replace Runway Dog Park on the southside, I acknowledge that this resolution must follow the appropriate procedures before the Board can vote on it.”*

*“I have personally had multiple conversations with Parks Director Guy Smith to convey my support for facilitating the replacement of Runway Dog Park. I will continue to work collaboratively with my colleagues and Milwaukee County Parks to ensure residents can soon enjoy a high-quality dog park.”*
