Hello Everyone,

I hope this message find you well! I'm Supervisor Juan Miguel Martinez, proud to represent District 12 in Milwaukee County. It has been an incredible year working alongside all of you to create a positive impact in our neighborhood. Your support and engagement have been invaluable, and together, we've made significant strides in enhancing our community.

I remain committed to collaborating with both the County and our residents to ensure we preserve the unique character and vitality of our area. Your ideas and feedback are always welcome; they help guide our efforts and ensure we're addressing the needs that matter most to you.

Let's keep the momentum going! Together, we can continue to build a brighter future for our community. Thank you for your trust and support!

Warm regards,

Supervisor Juan Miguel Martinez
District 12, Milwaukee County

The Friends of Mitchell Clarke started this year, and is the second Parks Friends Group to start on the south side! Through community engagement we bring more attention to our green spaces which are key in creating a healthy community. Sup. Martinez is pictured above at a community cookout.

Supervisor Martinez in the Community

We brought Shakespeare in the park to Clarke Square, another south side first! We saw Macbeth performed with puppets, and there was a Spanish translation happening live as well!

Supervisor Martinez at a Voces De La Frontera event, advocating for immigrant rights with other elected officials.

Supervisor Martinez speaking with President Joe Biden.

A rendering of what the Domes plan has slated for the former sunken gardens area.

Full Steam Ahead for a Viable Solution for the Domes and Mitchell Park!

The Mitchell Park Domes stand as a beloved icon in Milwaukee, a testament to our city's rich history and vibrant community spirit. For generations, these stunning structures have captivated visitors with their breathtaking displays of flora from around the world, serving as a sanctuary of beauty and learning. However, we recognize that the time has come to address the challenges that have arisen due to the aging infrastructure of the Domes. We are excited to announce that a transformative restoration plan is underway, one that promises to rejuvenate this cherished landmark and restore it to its rightful place as a focal point of our community.

Imagine walking into the Domes, greeted by the warm sunlight streaming through the newly stalled glazing that enhances the beauty of the flora within, while also ensuring the structural integrity and energy efficiency of the buildings. Our restoration plan is designed not only to preserve the Domes but to elevate them. We are committed to replacing the aging aluminum framework, further safeguarding the structures for future generations while enhancing their aesthetic appeal. This is not just a restoration it is a revitalization that will breathe new life into the Domes.

But our vision extends far beyond mere repairs. We are excited to introduce a new café that will serve as a gathering place for visitors, offering delicious refreshments. This café will not only enhance the visitor experience but will also create a welcoming environment where community members can connect and enjoy the beauty of the Domes.

Education is at the heart of our mission. We understand that the domes can serve as a dynamic learning hub for people of all ages. Our plans include increased educational facilities, which will enable us to offer a wider array of programs, workshops, and hands-on experiences that inspire a deeper appreciation for nature and sustainability. By engaging with schools, community organizations, and local experts, we aim to create a rich educational ecosystem that empowers our community to learn and grow.

Thanks to generous funding and the support of our community, we are on the path to making this vision a reality. The restoration of the Domes is not just an investment in a building; it is an investment in our community's future. It is a promise to preserve a beloved landmark that serves as a beacon of hope, beauty, and education.

We are incredibly excited about the progress we have made and the journey ahead. We invite you to join us in this endeavor, to share your thoughts, and to be part of the conversation as we move forward. Together, we can ensure that the Mitchell Park Domes continue to flourish, inspiring generations to come. We cannot wait for the day when the community can once again experience the magic of the newly restored Domes – a place where beauty, education, and community converge in a celebration of all that Milwaukee has to offer. Let us embrace this opportunity to renew our commitment to the Domes and to each other, creating a legacy that we can all be proud of.

Energy Assistance is Available for Qualifying Milwaukee County Residents

Through the Wisconsin Home Energy Assistance Program, qualified Milwaukee County residents can receive a one-time annual payment to make your heating and electric bills more affordable!

1. See if you qualify.

Go to **KeepWarmMKE.org** to check income guidelines and see if you qualify. 175,000 county residents will. You may also qualify for services like furnace repair, weatherization and crisis benefits.

2. Make an appointment or complete your application online.

- Apply October 1 - May 15.
- Visit **KeepWarmMKE.org** or
- Call **270-4MKE (4653)**. Dial 211 for after-hours help.

3. All appointments are conducted by phone.

A team member will call you at your scheduled appointment time to process your application.

Get the Help You Need

IMPACT 2-1-1 is a central access point for people in need.

During times of personal crisis or community disaster, the free, confidential helpline and online resource directory make it easy for residents to get connected to information and assistance. **Simply dial 2-1-1.** If you want detailed information please go to: www.impactinc.org/impact-211.
