Supervisor Martinez to Celebrate Grand Opening of Redesigned Clementina Castro Park

MILWAUKEE – Milwaukee County Supervisor Juan Miguel Martinez will join neighbors and City of Milwaukee Parks representatives on Monday, November 23, to celebrate the grand opening of Clementina Castro Park following improvements to the neighborhood gathering space.

The park, located at 937 S. 4th Street in Milwaukee's Walker's Point neighborhood, has been redesigned with new playground equipment, amenities, updated surfaces, and other improvements.

Supervisor Martinez has worked alongside community members and City partners on the project over the past year, continuing efforts to invest in welcoming neighborhood spaces where children can play and families can gather.

> *"You can tell a lot about how a city values its neighborhoods by how it invests in its parks. These are places where our kids grow up, families gather, and neighbors build community. Naming this park for Clementina Castro makes this investment even more meaningful. Her legacy is part of Milwaukee's history, particularly the work to make sure our Latino community had a voice and a place at the table. We honor that legacy by continuing to invest in the neighborhoods and public spaces that belong to the people who call them home. I'm proud to see this project come together for the Walker's Point neighborhood,"* said Martinez.

The park was renamed earlier this year in honor of Clementina Castro, a pioneering Milwaukee civil rights leader and advocate for the city's Hispanic community. Its improvements build on the effort to recognize her legacy and create a welcoming public space for the Walker's Point neighborhood.
