Dear Fellow District 15 Residents,

Happy Fall! It's been another great year for the Brewers! Did you know the stadium is located in District 15? I'm excited to see how far they'll go (and crossing my fingers it's ALL THE WAY to the World Series) this year. No matter what, they've been a fun team to watch the last several seasons!

In my second two-year term, I am continuing to focus on being in our neighborhoods frequently and working with the great organizations that make our community a wonderful place to be. I appreciate the opportunity to continue in this role through spring of 2028.

We are in the thick of 2027 budget season. I will be hosting or participating in three budget town halls that focus on educating residents on how our budget is developed and spent, and allowing discussion between those in attendance and County department leaders. The entire County Board will hold a budget listening session on October 26. There is no discussion as part of this event. We sit and listen as residents come up to tell us what's most important to them. Details for all these sessions are listed in this newsletter.

Thanks to everyone who stops by my table at area events, contacts my office with ideas and concerns, and passes on the good things they see in the County, too. We don't all agree on issues, but constructive conversations are always welcome and worthwhile.

Take care,

Sky Z. Capriolo - Milwaukee County Supervisor, District 15

How to Know if You Contact the County or the City

County and City officials work together to help our constituents. Milwaukee County District 15 overlaps with parts of four City of Milwaukee Districts, and includes all of West Milwaukee and part of West Allis.

County: Parks, Public Transit, Sheriff, Health & Human Services, Courts, Museums & Zoo

City: Streets, Sanitation, Police, Utilities, Libraries, Neighborhood Services

Below are other elected officials' or municipal administrations' contact information that overlap with County District 15.

District 4 - Alderman Robert Bauman • rjbauma@milwaukee.gov • 414-286-3774

District 11 - Alderman Peter Burgelis • peter.burgelis@milwaukee.gov • 414-286-3768

District 10 - Alderwoman Sharlen Moore • sharlen.moore@milwaukee.gov • 414-286-3763

District 15 - Alderman Russell Stamper II • russell.stamper@milwaukee.gov • 414-286-2221

West Allis City Hall: 7525 W. Greenfield Ave., West Allis, WI 53214 • 414-302-2489

West Milwaukee Village Administration: general@westmilwaukee.gov • 414-645-1530

It's an honor to serve as Milwaukee County Supervisor for District 15.

Thanks Tyler and the West Allis Special Olympics "Icy Penguins" for inviting me and my son to take the Polar Plunge at the Milwaukee County Zoo in February.

I had a blast filling in as guest bartender in June at the Jackson Park Farmers Market. Milwaukee Common Council Alder Peter Burgelis stopped by to say hi.

Don't Kid Around Behind the Wheel

To date, I've handed out more than 1,000 car cellphone holders at events in and around District 15. These little devices clip onto air vents allowing the driver to place their phone at near eye level, while keeping both hands on the wheel. When I started this initiative in 2025, I had a lot of kids who came up to my table thinking they were toys, so this year I added Safe Driving Teddy Bears. Each child who promises three things walks away with a bear (and hopefully a smile!).

1. Be a safe passenger – don't distract the driver
2. Remind whoever is driving to follow traffic laws – no running red lights
3. Commit to being a safe driver when they turn 16 – we can't start this messaging too young

I was featured on the "Road Trippin' with WTBA" podcast from the Wisconsin Transportation Builders Association. Season 2, Episode 11, "Staying in Her Lane," is about 21 minutes long. You can listen on Apple Podcasts, Spotify, or YouTube. Thanks to Lane Kimble and Steve Baas for highlighting my small efforts to improve driving safety in Milwaukee County!

Please remember, we can all make our streets safer FOR FREE by simply being better drivers. Follow the traffic laws, use turn signals, stop running red lights, slow down and show courtesy to our fellow drivers.

Recognitions I Gave Out This Year

One of the best parts of my role is recognizing outstanding residents and County employees who live in District 15. Here is a list of recipients from October 2025 through September 2026:

Stars and Stripes Honor Flight, Inc. – An amazing local group of volunteers who give local veterans a life-changing one-day experience in Washington, D.C.

Historic Valley Park Civic Association – Recognizing 100 years of this neighborhood organization!

Linda Jackson – Retirement from the County after more than 20 years working in a variety of roles with the Department of Health and Human Services and the Sheriff's Department.

St. Sava Serbian Orthodox Cathedral – Presented at their annual St. Sava Celebration in honor of the impact this group has on the greater community.

Rita Maniotis – Recognition for her work with the Friends of Lyons Park and her dedication to civic organizations and promoting community involvement.

J. Haselhoef – Recognition for her work with the Friends of Jackson and Manitoba Parks and her commitment to fostering inclusion, civic engagement and artistic endeavors.

The Iconic House of Mizrahi – Highlighting the impact this pillar group has on the LGBTQ+ ballroom scene in Milwaukee.

David Pruhs – Retirement after 25 years serving in the Family Division of Milwaukee County Courts, including being a Family Court Commissioner.

Dena Radtke – Recognition for her work as co-founder of the Jackson Park Farmers Market and her dedication to making her community a vibrant place for all to enjoy.

Jen Nepper – Recognition for her work leading the Jackson Park Community Association and her commitment to enriching the quality of life in the greater Jackson Park community.

If you know someone or a community organization or business that is doing great things in District 15, please contact my office about giving them a County Board recognition.

J. Haselhoef and Rita Maniotis are two incredible women making their communities more enriching and active through their work as founding members of the Friends of Jackson & Manitoba Parks and Friends of Lyons Park organizations, respectively.

Investing in Justice: Courthouse Complex

The Investing in Justice Courthouse Complex (IJCC) project addresses critical safety, operational, and accessibility issues in Milwaukee County's downtown courthouse facilities, which include the Historic Courthouse, Criminal Justice Facility, and the nearly 100-year-old Public Safety Building.

The Public Safety Building is structurally outdated, non-compliant with Wisconsin Supreme Court Rule #68, and contains unsafe, vacant, and deteriorating spaces, including asbestos and lead hazards.

You can learn more and follow the project through the County website page: county.milwaukee.gov/investinginjustice

Know Your Rights

It's important for everyone living in Milwaukee County to know your rights and how to safely protest if you choose to do so. I helped coordinate two information sessions that included civil rights experts and leaders from the Milwaukee Police Department and Sheriff's Office. The County created a webpage with important resources:

county.milwaukee.gov/EN/Know-Your-Rights

Energy Assistance is Available

Through the Wisconsin Home Energy Assistance Program, qualified Milwaukee County residents can receive a one-time annual payment to make your heating and electric bills more affordable!

KeepWarmMKE.org • 270-4MKE (4653)

Dial 211 for after-hours help.

IMPACT 2-1-1 is a central access point for people in need. During times of personal crisis or community disaster, the free, confidential helpline and online resource directory make it easy for residents to get connected to information and assistance. **Simply dial 2-1-1.** If you want detailed information, please go to: www.impactinc.org/impact-211.

Honor Flight

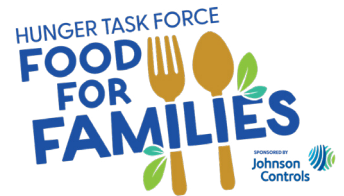

In May, I had the distinct privilege of being a Guardian to a Vietnam-era veteran on the Stars and Stripes Honor Flight Mission #86. Ann recently moved to the Milwaukee area and was one of eight women on this whirlwind day trip to Washington, D.C. It was an incredible experience to see all the national memorials with veterans from WWII, Korea, Vietnam and Afghanistan, with a special stop at the Military Women's Memorial. Thank you Stars and Stripes for this incredible opportunity! And many thanks to my family and friends who welcomed Ann and the other vets back at MKE airport late that evening!

Hunger Task Force Food For Families

Food For Families is Hunger Task Force's signature holiday food drive.

For more than 40 years, Food For Families has been Milwaukee's holiday tradition of generosity, uniting local businesses, schools, groups and religious institutions to raise funds and food for local families by hosting a food drive. Hosting a Food For Families online fundraiser not only allows Hunger Task Force to leverage its buying power to purchase healthy food in bulk or by the semi-truck, but it also enables more people to support the campaign from their smartphone or desktop. Donate today, find food near you, or learn more about registering an online fundraiser at: www.HungerTaskForce.org

Live Laugh Loaves

We're proud to serve residents in need from our location in District 15.

October 1-December 31, Mondays at 5:00 p.m.

SAVE THE DATE:

Thanksgiving for All - November 12, 2026

Call or text 414-356-9883.

Washington Park Aquatic Project

Milwaukee Parks Foundation, in partnership with County Parks, has raised more than

\$2,000,000 to construct a never-before-seen aquatic element in Washington Park. After many months of thoughtful public input sessions, the planning and design phase for a Mini Water Park is underway. Potential designs will be presented for community feedback later this year. If you can help with fundraising efforts, please reach out to: info@mkeparksfoundation.org, or call **414-514-3017**. It will truly be a group effort to build a sustainable amenity that brings meaningful value to the community.

Concept only - not an official design.

Jackson Park Farmers Market Pickleball Series

This summer I helped plan and promote two pickleball tournaments at the new courts in conjunction with the Jackson Park Farmers Market. The latter tournament paired up a variety of local elected officials with residents for a fun opportunity to interact. Thanks, Alder Peter Burgelis and West Milwaukee Village President John Stalewski for helping me represent District 15. County Board Supervisors O'Connor and Rolland, along with Milwaukee Alders Spiker and Zamarripa rounded out the 7 elected officials who played.

Washington Park Wednesdays

I was happy to act as emcee for two Washington Park Wednesdays concerts this summer. It's great to see the blanket of people covering the lawn and the stage glow as the sun sets. Great job Washington Park Neighbors for another successful season!

Pedestrian Safety in Story Hill

Traffic issues in the Story Hill neighborhood are amplified x2 this summer with the 94 EW construction and Brewers games. I connected MilWALKee Walks with neighborhood leaders and they conducted a walk audit on July 22. County, City, WisDOT and Brewers reps attended and witnessed the dangerous conditions. Now the hard work is making adjustments to help alleviate the issues. It's a great example of residents and government entities working together to hopefully make things safer for everyone in the area. Please remember to be a safe, patient and courteous driver when you're heading to and from Brewers games through the Story Hill neighborhood (and everywhere you travel in Milwaukee County.)
