In the Economic and Community Development Committee, I presented an important piece of legislation that will decrease evictions in Milwaukee County and provide tenant education.

Dear Friends and Neighbors,

It has been an honor serving as your Milwaukee County Supervisor since April 2016. As we near a new term, I would like to reiterate how much I have enjoyed meeting neighbors, supporting organizations, and working on behalf of the community. In addition to serving on three committees and as a member of the Milwaukee Public Library and Art Museum Boards of Trustees, I joined Local Progress' National Board, which works to support, connect, and unite progressive local elected officials and allied organizations from across the nation.

I have continued to attend many neighborhood and community meetings where I have been able to engage and discuss district issues with many of you. I have continued to sponsor legislation and work with you to make our community better for all. The work we have accomplished together has been great, and I look forward to achieving more for our district in the coming year.

Please consider attending one of my Meet & Greets this fall. Also, I encourage you to reach out to my office so that we can keep you up to date on any new developments in the district.

Best Regards,

Marcelia Nicholson
