**Dear Friends and Neighbors,**

It has been an honor serving as your Milwaukee County Supervisor since April 2016. As we near a new term, I would like to reiterate how much I have enjoyed meeting neighbors, supporting organizations, and working on behalf of the community. As Chairwoman of the Economic & Community Development committee, a member of the Parks committee and the 1st Vice-Chair of the Board of Supervisors, I will continue to fight for our District.

This year, I passed legislation to bring awareness to the racial inequity present in Milwaukee County by declaring racism a public health crisis. I've also worked to provide our District with funding for our parks and playgrounds. Listening to you and working with you has been a powerful tool for pushing forward impactful legislation. So, please consider attending one of my Second Saturday events this Fall/Winter for a chance to tell me directly what matters most to you. I also encourage you to reach out to my District Office so that we can keep you informed on any new developments in the District.

Best Regards,
