FeedingAmericaWI.org

FoodShare is the largest anti-hunger program in the United States.

For every **ONE** meal Feeding America provides...

... FoodShare provides **NINE**

FoodShare allows people to **get out of the pantry line...**

... and into the **grocery store**

FoodShare helps the local economy because dollars are usually **SPENT IN THE COMMUNITY WHERE THEY ARE RECEIVED**

FoodShare continues with or without a public health emergency. To apply for FoodShare, visit access.wisconsin.gov/access

SUMMER STORMS ARE COMMON IN WISCONSIN

If you receive FoodShare, and had food spoil because of a storm-related power outage, you can have the food replaced. FoodShare members should contact their local agency to request replacement benefits. Replacement benefits are issued for the amount of food lost, up to the amount of benefits already issued for the month.

HURRY! You have 10 days from when you lost power to request Replacement FoodShare benefits.

Fill out the form found online and submit it to your agency:
