## **Logsdon to Honor Resident who Funded New Footbridge in Hales Corners Park**

MILWAUKEE – Supervisor Patti Logsdon is inviting the community to join her in honoring local resident Jane Godfroy, who donated funds for a new footbridge in Hales Corners Park.

On Wednesday, May 29, at 1:30 pm, Logsdon will present Godfroy with a citation recognizing her generosity, and celebrate the new bridge with a ribbon cutting.

State and local officials are expected to join Supervisor Logsdon and Milwaukee County Parks Director Guy Smith in recognizing Godfroy and celebrating opening of the new bridge.

The bridge crosses Whitnall Park Creek, which runs through Hales Corners Park, and had significantly deteriorated in recent years, posing a risk to users.

Carpenters with the Milwaukee County Parks Department completed the repairs late last year.
