## Milwaukee County Youth Commission to Begin 2025 Term

MILWAUKEE — On Wednesday, January 15 at 5:30 p.m., members of the Milwaukee County Youth Commission will take their oath of office and hold their first meeting of the 2025 term. Supervisor Kathleen Vincent, who serves as an advisor to the commission will make brief remarks ahead of the oath and meeting. Chief Judge Carl Ashley will administer the oath of office.

In 2022, County Executive Crowley and Board Chairwoman Nicholson co-authored a resolution to revive the Milwaukee County Youth Commission.

The Youth Commission consists of 20 members, age 14 to 18, who reside in Milwaukee County and attend high school. The Commission exists to serve and advance the interests of Milwaukee County youth, make advisory recommendations about policy and budgetary decisions to the Milwaukee County Board of Supervisors, and advance Milwaukee County's mission of achieving racial equity. The Commission meets monthly, except for August. One member represents each of the 18 supervisory districts and two members serve as co-chairs. Commissioners are appointed to one or two-year terms.
