Supervisors Sumner and Wasserman to Host Joint Town Hall Tonight on 2024 Budget

MILWAUKEE – Supervisors Liz Sumner and Sheldon Wasserman will host a joint town hall this evening for District 1 and District 3 residents to discuss the 2024 recommended budget for Milwaukee County. The town hall will take place on Wednesday, October 18, at 5:30 p.m. at the Shorewood Public Library – Village Center Meeting Room. Supervisors Sumner and Wasserman made the following statements:

"The 2024 budget is projected to have the first surplus in over 20 years. With this additional revenue, now is the time to hear from district residents about their budget priorities for the coming year. By understanding which services my community relies on most, I will be better able to serve the needs of District 1. I welcome everyone who can attend the event this evening and look forward to hearing from you," said Supervisor Sumner.

"With an unprecedented budget surplus, we have a once-in-a-generation opportunity to invest in vital community services. I am looking forward to discussing these investments directly with District 3 residents. Community input has a direct impact on the Board's decision-making and helps determine Milwaukee County's future. I encourage all District 3 residents to attend and advocate for their ideas and budget priorities," Supervisor Wasserman added.

This event will allow District 1 and District 3 residents to learn more about the 2024 recommended budget and have any questions or concerns addressed by the Supervisors.
