**SCHEDULE 4 TERMINATION**

A committee may terminate its registration and reporting requirements if the committee will no longer receive contributions, make disbursements or incur obligations, and the obligations and cash balance have been reduced to zero.

Candidates may not terminate prior to the election in which they are participating.

Please read carefully and, if necessary, indicate how residual committee funds have been disposed of or if outstanding loans or obligations have been forgiven. Sign and date the termination request at the bottom of this page.

Make sure the termination box on the cover page of this report is checked.

Please note: An audit must be completed and all obligations, including settlement offers, fulfilled before termination can be granted. All records must be maintained until 3 years after the date of an election in which the registrant participates, even if termination is granted. (Per Wis.
