### **Milwaukee County to Celebrate National Voter Registration Day**

MILWAUKEE – On Tuesday, September 16, Milwaukee County Clerk George Christenson and Milwaukee County Elections Director Michelle Hawley will once again join communities across the nation to celebrate **National Voter Registration Day**, continuing our countywide initiative to ensure voters are registered and prepared for the upcoming election cycle.

The Milwaukee County Election Commission will host a resource table in the Milwaukee County Courthouse Rotunda from 10:00 AM to 3:00 PM. We acknowledge that not everyone has access to technology like smartphones, computers, or the internet. We wish to remove some of those potential barriers to voter registration by providing a place where these resources are available, and where voters have access to trusted election officials who will be available to answer questions and assist residents through the voter registration process.

To participate, please bring an acceptable proof of residence document that includes the **voter's name** and **current residential address**. The most frequently used documents include a valid Wisconsin Driver License or State ID Card, utility bill, or bank statement.

This is the 14<sup>th</sup> anniversary of National Voter Registration Day. Since its inception, this holiday has served as the largest nonpartisan day of civic engagement and action and has helped over 6 million Americans vote across the United States.

For more information, or if you have questions, please contact the **Milwaukee County Election Commission** at **414-278-4060**.
