Milwaukee County Election Commission to Report 2026 Spring Election Results

MILWAUKEE – The Milwaukee County Election Commission will report the results of the 2026 spring election in real time on Tuesday, April 7, 2026, at 8:00 p.m. in the cafeteria of the Milwaukee County Courthouse.

Results will be posted and regularly updated to the County Clerk/Election Commission’s [website](#) until all results are received. Periodic in-person updates will also be made by Milwaukee County Clerk George L. Christenson for members of the public and media viewing results at the courthouse.

The Election Commission will begin reporting results shortly after polls close at 8:00 p.m.

Doors open to the public at 7:00 p.m. Media, election observers, and the public should enter the Courthouse on 10th Street. All visitors should expect to go through a routine security screening and be asked to sign in.

Write-In Votes:

On election night, unofficial county election results for write-in candidates will be reported only as part of the overall “write-in” category and will not be itemized by candidate. This total reflects the number of voters who selected the write-in option on the ballot.

Following the close of polls, election inspectors review all write-in ballots. Votes cast for registered municipal-level write-in candidates are hand-tallied at the reporting unit level, and then those totals are submitted to the municipal clerk. Municipal clerks then review, aggregate, and report those candidate-specific totals as part of their official canvass process. As a result, write-in candidates will not appear by name in election night results, and any candidate-specific totals remain unofficial until certification.
