Milwaukee County Election Commission to Report Today's Special Election Results on its Website

The Milwaukee County Election Commission will report the results of today's Special Election for the 4th Senate District on its official [website](#). In keeping with past practice for non-countywide special elections, the Milwaukee County Courthouse will be closed except to election officials.

The polls close at 8:00 p.m. The final unofficial results of the race are expected to be posted on the Election Commission's website by 10:00 p.m.

Today's ballot features a single race for the Wisconsin State Senate, District 4, with only one candidate on the ballot.
