What's one thing you'd change about Milwaukee County?

Lobby harder to decrease military spending and move money to meet human needs.
Tax increase for public transit
Expanding express transit routes
More frequent transit
The lack of services for extremely vulernable populations: elderly, mental health, women and families
The availability of bus services
Get more money from the state
Combat homelessness, remove trolley, build small homes
The streets/roads
Please fix the roads, my car can't take them
Less division between city and suburbs
Cross Counties for mental health care, it should not stop at the county line
Walker's gone
Plow the alleys
If you say you care about children, offer free commuity college
Tax the landlords
Fix the damn lead pipes
Fix the lead pipes, its cheaper than having a community w/ permanent brain damage

More internet provider options (no monopolies, but options)
Keep ICE out of our police force, do not work with ICE
Legalize/decriminalize THC
Give tenants more rights
Cancel parking code 680
Milwaukee is a large enough city, invest in metro not street cars
Pot holes, transit, county executive
Most of developed world offers mass transit, why are we making cuts?
The divisive nature of the admin w/ county board. We need full time supervisors
What would you tell your legislator about Milwaukee County?
Provide services for people in the suburbs like freeway flyers, we're county too.
Fair Share!
Need additional funds for continued support to the community
Give more money to mental health and suicide prevention
Incarceration relief:
Use of vacant big box stores
