MILWAUKEE COUNTY SENIOR DINING

Background

Primarily funded by Older Americans Act dollars, senior nutrition programs are designed to serve as gathering places for older adults (60+). There is tremendous value and opportunity in bringing people together to enjoy nutritious meals. Sharing food and engaging conversations with others is a powerful experience that encourages new connections, strengthens existing ones and ultimately improves our community.

Equally as beneficial can be the exposure to new information, awareness of relevant programs and attention to activities that promote health and well-being. While these popular services have been around for decades, excitement has been especially high around our award-winning Dine Out Restaurant partnership which adds convenience, flexibility and much needed diversity to the lineup.

We are committed to continuing these essential services while decreasing barriers to access, addressing gaps in service and introducing new & innovative solutions that keep us moving forward with satisfied customers.
