

Community Outreach

Empowering safe, healthy, and meaningful lives by connecting older adults and individuals with disabilities to **resources** that promote **independence** and **inclusion**, giving them choices for living in, and giving to our community.

Milwaukee County Aging & Disabilities Services staff are regularly in the community providing education and outreach. This includes educational presentations to community groups, resource tables at major community events, and human services workers who visit senior centers and senior dining sites on a regular basis.

Aging and Disabilities Services presentations are available. We are also able to provide presentations specifically on the following Aging and Disability services:

- Access to Community Programs
- Adult Protective Services
- Advocacy, Committees and Councils
- Caregiver Support
- Dementia Care
- Disability and Elder Benefits Specialists
- Information and Assistance
- Medicare
- Options Counseling
- Publicly Funded Long Term Care
- Senior Centers
- Senior Dining and Meals on Wheels
- Transportation Services
- Wellness Programs
- Youth Transition

If you have an event that you would like to invite us to, please fill out our Community Outreach Request Form at:
