

Dementia Caregiver Support Group

3rd Wednesday of every month at 1:00 - 2:00 p.m.

Caring for someone with dementia can be especially difficult. Take some time for yourself to talk with other caregivers, share ideas and strategies and come away recharged and stronger. Please join us online or by phone for an hour of caregiver discussion and connection led by the Milwaukee County Dementia Care Specialists.

**Let us support you,
so you can support them.**

To register please email us at dcs@milwaukeecountywi.gov
or call (414) 289-6259
