

# TimeSlips™

The Milwaukee County Dementia Care Specialist have partnered with the TimeSlips program to move our mission forward in creating a dementia friendly community. The TimeSlips program harnesses the power of imagination to change the way the world understands dementia by bringing meaning and purpose into the lives of elders through creative engagement. TimeSlips teaches care partners and the community to replace the pressure to remember with the freedom to imagine.

## TimeSlips can help:

- Improve mood and communication among people with dementia
- Reduce distressing behaviors among people living with dementia
- Increase social engagement among people with dementia

## Connect with us to:

- Learn more about the TimeSlips method, resources and training
- Schedule a story telling session with a Certified TimeSlips Facilitator
- Get connected to TimeSlips Creativity Center and Creative Care Imagination Kits

For more information or to schedule a storytelling session contact Candice:
