

WORLD ELDER ABUSE AWARENESS DAY

Building Strong Support for Elders

World Elder Abuse Awareness Day is an opportunity for communities around the world to promote a better understanding of abuse and neglect of older people by raising awareness of the cultural, social, economic, and demographic processes affecting elder abuse and neglect. It is a call-to-action to educate each other on how to identify, address and prevent abuse so we can all do our part to support everyone as we age.

Join us for a resource fair and walk in honor of World Elder Abuse Awareness Day.
