## Numbered Notice

**Number:** 17-03  
**Date:** February 27, 2017  
**From:** M. Riccardo Colella, DO, MPH, FACEP  
**Section:** Medical Services  
**To:** Milwaukee County EMS System Paramedics  
**Subject:** TXA Trial Ending  
**Purpose:** Directive

Effective immediately, the Tranexamic Acid (TXA) trial coordinated by the Medical College of Wisconsin and the Milwaukee County Office of Emergency Management-EMS Division has ended; no further patient enrollment.

Research staff will coordinate the removal of TXA kits from each fire department and the TXA protocol will be removed from the OEM-EMS Standards of Care Manual.

I want to express my sincere gratitude for your assistance in this important trial; Milwaukee County EMS is shaping the future of medicine through collaboration with these trials. We have enrolled 90 of the 963 patients making us the 4<sup>th</sup> highest enrolling site in North America!
